*Mills & Boon Sweet series promises love affairs to last a lifetime...*

Tidy. Sensible. Safe. That's how Maggie Taylor wants things until she opens the door of her tiny Mountain Haven Hotel to a tall, dark, and very dangerous stranger.

Nate Griffith offers a world of pleasure in his strong arms. But the lawman isn't looking for a peaceful retreat, he has a job to do. It scares Maggie that Nate puts himself in the line of fire every day, and so she tries her hardest to resist him. But even a heart as closed off as Maggie's can't stay immune for long...

I enjoyed this story. Not as much as some of Donna's other ones for some reason but that is alright, it was still a good read. Funny how that works. I absolutely *loved* 'Soldier's Homecoming' and 'Hired by a Cowboy'. *loved them*. Will read them again and again pouring over each word. That type of loved. But this one...it just didn't quite click for me right off and stayed that way all through. And wouldn't you know it, this story was a CataRomance Award winner. :-) Oh well. I can't wait to get started on her newest release, 'The Rancher's Runaway Princess'. :-)

My second book I have read by Donna Alward and another 5 star. This story keeps your attention and on your toes at times. Many secrets between the main two characters keep them at arms lengths as much as they possibly can, and although, in the little time they have known each other, they can't deny the attraction they feel for each other. This is a good suspenseful, romance book where the characters are well defined and believable. A book of love, romance, intrigue, mystery and willing to take another chance at love. I had tears in my eyes for about the last quarter of the book. How heart wrenching at times and sweet at the same time. I also love B & B's, so this was fun to read and the description of the Inn. I would have loved the book to be a bit longer, like some sort of epilogue to let us know how the characters in the story moved on. For a short read, it was a wonderful story.

Falling for Mr. Dark and Dangerous by Donna Alward is an awesome read. Ms Alward has crafted a wonderful small town story with plenty of suspense, drama, humor and just a bit of steam. Maggie and Nate's story is well written and a bit of a fast paced nail biter. I enjoyed Falling for Mr. Dark and Dangerous and look forward to reading more from Donna Alward in the future. This is a complete book, not a cliff-hanger.

I won a copy of this book from a Facebook contest.

## **Linda says**

Very enjoyable read, extremely hard to put down. The author is very talented at drawing her reader into the story, believable dialogue. I certainly look for more books by her.

Good.

## **Christine says**

This was just... bad. I was leaning toward two stars, but the ending was entirely unforgiveable.

First off, the characters were hard to read. Conversations between them were stilted and awkward at best, and not in a cute way. It would be one thing if they took one look at each other and chalked it up to lust, but we're supposed to believe that in-between shallow conversations and interactions that they managed to fall for one another?

Also, I understand the heroine had it rough, but she overreacted on more than one occasion. And the hero, he's supposed to be doing a job but is entirely unprofessional about it. Given that the romance in this was a complete bust, these details created a distraction that tipped the scales from "this book is okay I guess..." to "wtf am I reading?!"

Maggie is hoping for a nice winter vacation, but her daughter books Nate into her Bed and Breakfast for an long stay. Says on a leave from his job, but something just don't seem right.

Maggie feels Nate is hiding something from the beginning and don't figure out for awhile. But Maggie has secrets also. Could they work thru these and make it.

Hard to put down when started reading.

Falling for Mr. Dark and Handsome is by Donna Alward

Maggie Taylor finally has her life like she likes it- safe and sensible. She runs a bed and breakfast during tourist season. She is planning on finally taking a vacation when her daughter, home from college, rents a room out of season to Ranger Nate Griffith. As much as Maggie would like to say no to him, she needs the money.

Nate is on leave from his job as a ranger. He needs to rest in a quiet place and this bed and breakfast fits the bill. In reality, he is working on a drug case and the man he is seeking lives in the area. He can't tell Maggie the truth without putting her in danger.

What will happen when Maggie finds out the truth? Will it involve her daughter who has gone back to college? What will she do about the attraction between herself and Nate?

### **Maria says**

The story line was pretty good, but the passage of time wasn't very clear. All the events occurred over a period of weeks, but the wording made it seem like days.

**Good story...**

**Good story...**

with the truth as additional secrets and intrigue associated with undercover cops.. However, the title says it is part of the Windover Ranch series and the only thing related was that it was set in Canada, so that was disappointing

### **Fizza says**

It was good holiday read.

### **Linda says**

This was a 3.5 Harlequin romance. The storyline was interesting and different. Maggie had withdrawn from any contact with love after her husband was killed and Nate was looking for a dangerous man as a U.S. Marshall but was not ready for what he found.

**Love in a beautiful setting**

Loved the story. The mystery of the main charter left me guessing. course the story line was set in Canada.
