Great series!!!

All I can say was wow. That's how you end a series. This book picked up exactly where part 2 left off, and puts you right in the mix of things. So many secrets come out of hiding, lies uncovered, and new people added, that makes you wonder, who can you trust? Will true love prevail between Ameer and Sophie, and what will happen with Kasam and Erin? You're going to have to find out for yourself, but just know you won't be disappointed. Bravo Dominique, another banger.

Ghetto love story

It is a nice read. Kind of short but worth the read. It had me wanting more. If ghetto love stories is what you like this is the book to read 12&3

Tierra says

This series is definitely one to read about. Talk about well dressed, fine, well endowed brothers who love hard. I love how the author portray sophisticated gangster's not one's always in jeans and timbs. Yes Ameer is controlling but all that changes when Sophia decided it times to fight for herself. I love the growth in Sophie and Ameer's relationship. I enjoyed reading about Kasam and Erin, who by the way take no bull. Drew has a lot to deal with and you learn what really happened to her to make he acted out. Alana was the most conniving mother ever, heck her own grandson didn't care for her. With everything Sophie went through she found her inner and external strength and started busting a few heads open. I really enjoyed reading this especially after hearing so much about the Matin brothers.

Great Ending

This was a really good ending and to know it's going to continue with Erin's story I love that but hopefully she don't have to go through as much as her sister did and Baby D is just mad at the world

OMG THIS BOOK HERE WAS CRAZY GOOD. THE DRAMA THE CHARACTERS HAD WAS CRAZY. I FELT SO HURT FOR SOPHIE & WHAT HAPPENED TO HER THAT WAS MESSED UP BUT IM GLAD SHE ESCAPED & GOT HER REVENGE ON FLOYDD ENZO & TATUM CRAZY SELF. GLAD THAT AMEER & KASAM RECONNECTED WITH MASON AFTER FINDING OUT WHAT REALLY HAPPENED TO THEIR FATHER & GAVE ALANA WHAT SHE DESERVED AFTER FINDING OUT SHE HAD BEEN PLANNING SINCE SHES BEEN OUT...THEY NOT ONLY LOST A MOTHER & FATHER BUT THEY GAINED A HALF BROTHER KADAR WHICH IS PLAYING WITH FIRE MESSING AROUND WITH DREW. OMG TO FIND OUT WHAT ACTUALLY HAPPENED TO THE GIRLS PARENTS & WHY HER FATHER KILLED HIM & THEIR MOM IS CRAZY...TO ALSO FIND OUT ABOUT WHAT HAPPEND TO DREW & SOPHIE'S GOD FATHER IS CRAZY HE FINALLY GOT WHAT HE DESERVED THO. TO END THE SERIES OFF ON A BETTER NOTE GLAD THAT SOPHIE & AMEER FINALLY MADE THAT JUMP. NOW OFF TO READ ABOUT ERIN & KASAM STORY!!!!

Great ending to a great series!!! I loved this book and happy that it's ending like this. I love Ameer and sophie together. Janelle and alana were just awful, sneaky, mean and conniving women that needed to be dealt with. I loved Sophie's growth. Kodak made me a little nervous. But I loved it and I'm a fan of Dominique! Y'all need to check her out if you haven't already.

HYD3 was amazing

Picked up where 2 letter off and boy did it get good. The storyline was flowing a few errors but a must read. Sophie goes through hell at the hands of Tatum, enzo, and Floyd, but escaping she meets Sariel that takes her in and teaches her how to kill. Ameer searching for Sophie for 6 months he has to deal with us father's death. Alaina is a piece of work and a snake scheming to get her way. Drew and aamil relationship is complicated now that he's in jail and she's hiding from her sister's with a secret of her own. A lot of drama and shocking truths revealed but in the end ameer has handed over the business and rid the snake of the family. Can't wait for kasam and Erin story.

Taz Will says

Okay but so unrealistic it didn't make any sense at times. Them staying in the same spot they took Sophie was just dumb. Her having the baby early and learning all this stuff to protect herself while pregnant was a bit much. Six months and she's started a business and claimed someone as a mother who's willing to help her, train her and go all out for her like that was wishful thinking. The guys didn't prove anything when it came to taking care of their business. They again had all these men and still couldn't handle the one problem they had.

Going after Mason or even entertaining what Alana said was hard to follow especially with the way she was moving. Drew is messy and Aamil is a fool but I'm guessing he'll be right back up under her. The guys claiming Kadar is his brother but not theirs was silly, they all had the same mother so no matter what their all brothers. The thought was cute but in the end I was over it really before it even was started good.

HYD3

Man this series took me thru the motions!!!! I hated Alana with a passion! Ol sneaky tramp. My girl Sophie is on 100 and I love it! Wait til Amil get out Drew just don't know who she's messing with... LITERALLY. Erin is my baby thI! Quick to punch and ask questions later. Great way to end the series!

Sonya says**great**

I really loved this series how ever I did not like the ending at all. And pray that she continue a story about Drew. Other than that talking about holding your man down that is what sophie did I was so happy to see her come out of her shell and start being the Boss bitch that she was you cant be with a boss and not be one yourself.. Very well written keep up the good work.. Cant wait for Erin and Kasams story to drop March 9

Laurice Harrison says**Good series**

I really enjoyed the series. You have to be careful who you surround yourself with. This was a rollercoaster ride great story line that kept me entertained. Ms. Thomas you have a great imagination and very creative. There were minor grammar errors but overall a really good series. First time reader of your books and I have become a fan. I love Sophia and ameer. Erica is a trip too. Hope she gets her happy ending. The secrets were too juicy. Baby D hope she's mention in next book. Hope her life is better and she changes her ways and open to sister. Good job and good read.
