Kassia Green finds herself in Massachusetts—the last place she wants to be—to housesit for her cousin over Christmas. Not a fan of snow or cold, she would much rather be home, or even in the Caribbean. Little does she know returning from shopping one day will bring her face-to-face with a naked man in that very house. Heath Dixon, former Army, takes his friend up on an offer to stay at his place, where he meets, Kassia. Despite their rocky start, she has him forgetting about his injury and thinking of all the ways they could keep warm at night.

As Christmas gets closer, they discover more about one another and Heath realizes he has no wish to lose her. Can he make her understand that sometimes the best holiday surprise can be unwrapped when you first discover it?

## **From Reader Review Holiday Surprise: Unwrapped for online ebook**

### **CJLuvsBooks! says**

I liked this holiday novella. Pretty basic story, I've read it a couple of times before. Two people staying at a friend or relative's house and they don't know there will be another person there as well. They both decide to share the house together... they are attracted, they get to know each other a little bit, hop in the sack — and BOOM! — they fall in love.

The writing was good and both characters were very likable. The love scenes were erotic and beautifully described.

This is the first book I've read by Aliyah Burke and I would definitely read more of her work. If you want a short, sweet and sensual IR holiday romance, I would give this a try! :)

---

### **Joyce Hudson says**

Great book, very short.  
Enjoyed it but was look for a little more.

---

### **Darla says**

This was an okay read; Kassia really bugged me at one point when a situation arose between her and Heath, all because of a phone call. I felt she was being rather silly and instead of communicating she ran and hid. Heath was a likeable guy, had some issues to work out, and stuff happened in this book really fast, but I guess considering the limited number of pages it had to work with, things couldn't be drawn out. Like my rating shows, it was ok, not bad, not great, just ok. It would be worth the read though.

---

### **Jess (Shepherdjel) says**

short, quick and fast but a nice steamy read.

---

### **Tonileg says**

Contemporary holiday short story about Kassia Green and Heath 'Rebel' Dixon who are thrown together by Kassia's cousin who has them both house sitting (apartment-sitting) in Massachusetts for Christmas. She has just had a terrible trip North when she literally walks into Heath naked (he was taking a nap when she noisily showed up).

Heath Dixon is a retired Army veteran who is best buddies with Balt, Kassia's cousin who owns that

apartment they are staying in. Heath is in lots of pain and still healing from his POW days so he is more than gruff with Kassia, he is kind of mean to her. She can take it, but should she? Heath may be really hot, but I don't like abusive dudes, they deserve to be alone in life instead of attracting intelligent hot ladies. Heath works on apologizing for his bad attitude and the usual happens between the two. Nothing surprising or original in this story and there are some obvious errors like 'moment' which should be 'movement' so someone should edit it again.

### **The Library at Lilac Cottage says**

What a surprise that this book is filled with vulgar language. This was not worth my time and standards, so in the garbage this book went.

---

### **Marcella says**

For such a short novella I got to know the characters pretty well and liked the way their relationship developed. Well done.

---

### **Trickiegyrl says**

I enjoyed it. A quick read by one of my favorite authors.

---

### **Mspraise50 says**

Kassia and Heath's Story. The story is by a well known author Aliyah Burke and its 98 pages. Another story of how a woman's love can help heal a hurting man. Takes a strong woman to remain resolute in her feelings when the man tries to push her away. Kassia has fire but its a sweet love story. I enjoyed it!

---

### **Michelle the Romance Witch says**

sweet, sexy, interesting, and heartwarming. a lot of fun and emotional impact in a very small package. have to keep an eye out for more by this author.

---

### **Book Junky Girls says**

Kassia is house sitting for her cousin over the holidays and when she comes back from a day of shopping she gets one heck of a surprise. Heath has just gotten home from his tour and he's a bit broken, but Kassia's spirit

bring him back to life. Can what they have be more than a holiday fling?

---

Kassia was a firecracker and she was a blast to read about. I loved how she tells it like it is and didn't allow Heath to BS her. Heath had a hard exterior, but once you unwrapped him you got a real sweetie. Loved these two and how they fit.

---

### **Vanae says**

Interesting read. It definitely has its share of drama. If you like taking on restoration projects then you might enjoy this read. Warning...I'm referring to restoring broken men. The story moves quickly, it's entertaining, comical, sexy, and emotional. If you're looking for a quick read this will get you there.

### **Tangela says**

#### **Finding Love**

This was an excellent read. Wish it was a litter longer. Didn't like the wHole the book ended. Broken soldiers finds peace and love

---

### **Robert White says**

#### **Wow not expected this book so good**

This was my second Christmas book and must best one I read. Nothing like true love special when you not expected it great book look forward reading more material from this AUTHOR kudos to you!!!!!!

---

### **Danita Kinna says**

Too slutty for me. I had to stop reading it.
