From Reader Review Kajal Kotha / ???? for online ebook

Maliha says

No review can explain the book. Each person has its own dimension to perceive things

Muhammad Waqas says

Epic continuation... Baba G is phenomenon to read

Syeda JaaFfri says

YA ALI TERE CHAAHNE WAALON KI KHAYR.....

Mudassir Azeemi says

Amazing book.

Wondering if this is available in English yet?

Murad Kayani says

An excellent book by baba M. Yahya Khan ,
If any one want know about Islam and philosophy, and especially polish himself , he should read it once at least ,
It's bit complicated too u need to Reed it more than once ,

Hassan Ali says

Just a great book. Simply great. The words don't seem to be from this world. The way Baba Yahya has explained the mystical concepts and the context in which he explains them is simply classical. One of the best books i have ever red.

Moby Syed Mubashir says

Excellent Book , if you like to know about the spiritual world, you read the book

Habiba Shahbaz cheema says

the best in Pakistani literature so far
