# Loud Louie (Doc McStuffins)

*Sheila Sweeny Higginson*

## **Loud Louie (Doc McStuffins)** Sheila Sweeny Higginson

Doc finds her old toy cell phone, Louie, in the toy box, and discovers that his volume control is stuck in the "loud" position, which makes games like "Hide and Seek" and "Telephone" a little tricky. Doc fixes the volume button, but Louie is so used to using his loud voice, he can't seem to make it quieter! So Doc and the other toys find a way to cure his Superlouditis. Kids (along with Louie) learn the difference between using "indoor" voices and "outdoor" voices in this Pre-Level 1 reader.

## **Krehley Kids says**

Read with assistance from mommy.

Doc finds Loud Louie in the toy box. He is broken. There is a sticker stuck in his up button. I liked it best when they played telephone.

Age 5

Grade K

---

## **Jen says**

I really liked this story for the educational message it imparted. Not only does it help beginning readers learn to read, but it also shares tips on when to use your inside voice, when to whisper, and when it's okay to shout.

I did find the "picture reading" to be distracting. But I am very much hoping that this type of reading works well for the intended audience of Pre-K kids and other beginning readers.

## **LeiAnn says**

i like the book its just that the e reader version the pictures are drawn over the words or the words are drawn on top of the photos.

---

## **Saturnberry says**

Great story for small folks. Horrid interface for Kindle Fire; almost too distracting to get through the story.
