WARNING! THIS STORY IS NOT FOR THE FAINT AT HEART

Liberty had been going through the wringer with her crazy ex-girlfriend, Trip. Popping up at her crib uninvited, beating up on her little brother, and driving a car through her house were just a few of the things she experienced since their breakup. Life was miserable before Apollo came out of nowhere and rescued her. He's everything she ever wanted in a partner, and she loves him for building up her self-esteem and providing for her family. Life is perfect, but things suddenly take a turn for the worse after he's arrested for the murder of Trip. Further tension arises once Liberty discovers that Apollo is a contract killer. After he's released, she somehow finds herself trying to convince him not to kill his next target--who's ironically her little cousin's boyfriend.

Shayla never thought she'd fall in love and marry the outlaw her mama warned her about. Regardless of their past differences, she's determined to make it work with Romeo. Can they overcome their many obstacles in spite of enemies lurking in the shadows?

Kendall Rivers is a 23-year old good girl from the suburbs, who's always lived her life on the straight and narrow. However, everything changes the moment she meets head of a ruthless gang known worldwide as The Heartless Felons. Sexy, charming, and swag on a thousand, Quay is every female's dream and every father's worst nightmare. Despite his bad boy reputation, Kendall still finds herself falling head over heels in love. But there's only one problem... Quay is hiding a deep, dark secret that could potentially put their lives in jeopardy. Will this unlikely couple triumph? Or will Quay's reckless ways and dangerous lifestyle lead to their demise?

### **Dee Cherry says**

Heartless Felons...

Good page turning drama with known characters. Quay was an evil nutcase. Plenty of horrific violent & sad scenes kept the pages turning. These felons were not playing with it came to their destructive behavior & acts of revenge! Interesting storyline & content.

### **Yolanda Knight- Palmer says**

#### **Heartless murderer**

This was a pretty good book I read it within 4hrs, it picked up where it left off at in Flawless 3, Quay was a cold hearted murderer. Apollo and Romeo are determined to get their revenge on Quay for all the trouble he caused in their lives , it seems as if Quay is always one step ahead of the game

Good read, it has a few errors I gave it 4 Stars

### **Shannon says**

#### **Quay really**

I fell in love with this whole FLAWLESS series from the beginning to the end Quay was a ruthless felon I won't go no further I recommend all readers and my friends to purchase the series

### **Vermille Crumpton says**

I wanna give more then five stars

Man ole man ole man this is what I call a spin off for your ass!!! Even though they're enemies to one another Romeo and Quay r both some ruthless fools they will go to no extreme to get one another first smh!! But the

best man won (Romeo) even though I feel that Quay is the most heartless evil evil heartless son of a \*\*\*\*\*! Liberty and Apollo just couldn't catch a break at all from her man (Apollo) getting locked and released her brother getting locked up (luke) rough pregnancy then baby being murdered Yikes!! I loved this spin off that Jade & Chase put together they did an phenomenal job with collaborating this book, u couldn't tell who wrote what both authors ink game is on point!!

#### **Loving A Heartless Felon**

This book was excellent. Those felons had me peeking out the window behind some of their actions. That Quay was as heartless as they came. I would hate to get on his bad side.

---

### **Monique Spicer says**

#### **Damn!!!**

Quay was truly heartless and ruthless. Sheesh dude was on one. Liberty took some getting use to but she pulled it together. Poor Shayla she got dealt a bad hand as well. Quay was just all over the place with his torture. This was good a lot of things happened that I didn't expect. You will not be disappointed with this one here.

### **Tesha Joyner says**

This let me know what happened after Flawless 3. Karma is a bitch though cause when she comes she comes hard. Romeo & Shayla was happy but the past was still lurking. Quay came around causing havoc & problems. Everybody that met him asked was he a bad guy. He just gave off this vibe. Dez & Kim was doing ok. They haven't had any issue except for what was happening to their friends. Apollo & Liberty was having issues. It seems as if they can't catch a break. Liberty soon gets to feeling heartless & takes a life. She is still the same person afterwards. Good book & glass everybody is ok & happy.

#### **WOW Jade Jones!!!!**

I was just wondering was this the end of the characters in this book, I just love reading about them and their craziness. What about Romeo and his wife, Quay crew what was the aftermath about Quay death.

### **Mattie says**

### **Treacherous**

Now, I really love this Author Jade Jones. Quay was a poor excuse as a man. Apollo could have done better by his wife, not wait till the end for Syrus to get killed. But I love it I love it.

---

### **Maebelle Richardson says**

Great series of books from flawless 1,2,3, to this one. Entertaining from beginning to end. The title was very fitting to the story and you right it wasn't for the faint at heart. Some of the scenes in this book was gruesome but I'm so glad they finally got rid of Quay. Great job Authors.

#### **What a great book!!!**

Both of these authors are so great individually that when they get together it's like magic!!! It was so good and straight to the point I loved it! I can't wait to see what they have coming out this year! Wish i could give it 10 stars!

### **Erica Palmer says**

#### **Yes**

I do love Liberty and Apollo, I hate that her cousin died however all in all I was rooting for Liberty . I really hate their baby died though even with them having twins in the end..

### **Arlena says**

#### **My Thoughts.....**

This was quite a interesting read and definitely not for the faint of heart readers! Wow, what these two authors came up with in this story was some read that will keep your attention all the way to the end. Characters from ... Shayla, Romeo, Apollo, Liberty, Quay and a few others will give the readers quite a ride to the very end. Be ready for plenty of drama, revenge with a lots of horrible scenes, murder...but since this is a urban fiction read be ready for it is a fasted paced novel with continual action...violence over the top! I will say that I did enjoy the ending to this story and I must say these authors presented the readers with a good read of 'Loving a Heartless Felon.'
