Kit Morgan

Seth Kit Morgan

What happens when three English ladies are shipped off halfway across the world as mail order brides? EVERYTHING! Three sisters, Penelope, Constance and Eloise go from a posh lifestyle outside of London to Clear Creek, a nothing of a town full of quirky characters, crazy live-stock, and bumbling villains! Penelope is the first to wed, (August, Prairie Grooms, Book One) and learns her prim and proper ways don't have the impact she expects on the locals. Then it's Constance's turn, (Ryder, Prairie Grooms, Book Two) who finds that patience is a virtue, especially when one marries before her future husband has had a chance to finish his house! Now, it's time for Eloise to wed ...

Eloise was the least adventurous of her sisters, and thought she wanted a life of peaceful serenity alongside a quiet man, one civilized and genteel. But did she know herself well enough to stick to her own assumptions? Yet alone, the man she was going to marry?

Seth Jones gave the appearance of a dutiful, yet bumbling hotel clerk, while his brother Ryder was considered the rugged hero, one who'd saved his wife and himself from death. How could Seth compare to that? Worse, how could he allow his future bride to know he'd done things, things that would probably make her scream and run the other way?

She was his mail-order bride, but was that fact enough to make her want to marry him if she ever discovered his past?

Wendy Tavenner says

Loved the book!! Eloise knew that Seth was keeping a secret and she knew he was acting different!! She herself was feeling insecure that Seth couldn't take care of her if trouble happened!! They definitely learned about each other and to trust!!

M says

Can't stop reading the series.

Easy read for a rainy day. These are great books to escape to. I like how they all come together.

Alan T says

Prairie Grooms and the annual picnic

Eloise is the next Sayer mail-order bride to marry. She and Seth are married at the annual picnic. Issues arise with some outlaws.

Ruth Stuart says

Delightful, peaceful read

Definitely a 5 star. It leaves you satisfied and yet anxious to see what happens next. It draws you in and makes you feel a part of the family. A good book to read while sitting on the front porch on a hot summer day drinking a cool iced tea.

Crystal says

Great read!

This series is wonderful! Full of romance, action, adventure, and danger. I loved reading it and cannot wait for more in the series.

Tj Walker says

Great book

Each story in this series just gets better and better. There is a love ?/ hate relationship between me and Cutty. He is a real cur but then he does something good. Grrr I sure hope the outlaws get what is coming!

Carei says

Encore Seth

Good story. Love the series. Looking for more with every book! The sisters are so real. I love to see how they transform.

Chris Unwin says

“Darlin’” what can I say it’s a Kit Morgan book. Her books are just plain fun! We visit the Weaver family from previous books and Tom Turner is here from many previous and books to come. Seth is the Prairie Groom to be married in this book to an English young lady, Eloise. Outlaws come and interrupt the smooth running of the town and by the end of the book...well you’ll have to find out if they have been caught or not. All Kit Morgan books are clean reading, darlin’. ?

Melissa Dobbins says

Another great read

And Kit Morgan will be my current favorite author until I have read everything she has written. I love the humor and realness of her characters. The banter is a great source for good belly laughs.

Shirley Ketcham says

As Above

What can I say , This Author Is So Amazing She Does Not Miss Anything. These Stories Are Just Wonderful. I wish that It was A Movie.

Shirley Ketcham

Annette K Hernandez says

Seth marries the third sister. ...finally.

Seth and Ryder are brothers that sent away for brides. Ryder got his bride, now it is Seth's turn. Seth falls for his bride, they marry, and then the brothers along with other town folk start searching for seven evil men.

Dana Dobias says

Two Sets of Trilogies and an Over-Arching Story

This is the story of Eloise (the third of the first three cousins to be sent by Duncan from England) and Seth, Ryder's brother. It's a good story and she builds them as completely distinct from their siblings' stories. She adds an additional storyline of Thackeray Holmes who is now changing himself into a man named Cutty. It looks like his story will be in a later Prairie Grooms book.

Cindy says

So Kit Morgan is the author that I stumbled across last year that introduced me to the whole mail order bride/western historical romance/kindle book thing. I have loved everything that I've read by her and this is no different. You really can't go wrong reading any book by Kit Morgan.
