Joseph in Egypt is the story of Joseph and how he goes from being a young man sold into slavery by his brothers to being a respected man of power. Young readers read about Joseph and how God shows again that he often uses struggles and difficult situations for good. When Joseph's brothers become jealous of the love their father has for him, they sell him to passing traders and Joseph ends up in Egypt. After years of struggle, even being in prison, Joseph rises to a powerful position in Egypt and is able to help many people, including the brothers that long ago sold him!
