Gardner F. Fox

The First Kothar the Barbarian MEGAPACK®: 3 Sword and Sorcery Novels Gardner F. Fox

Gardner F. Fox (1911-1986) enjoyed a long and successful career writing in many genres. He wrote adventure novels, spy novels, romances, historical novels, fantasy and science fiction, comic books (more than 4,000 of them!) -- everything imaginable, in fact, and with a skill and surety that won him a legion of fans and readers worldwide.

In the 1960s, at the peak of the sword and sorcery craze, when Robert E. Howard's Conan the Barbarian (and many similar creations) reached the pinnacle of their success, Gardner Fox created his first sword & sorcery hero: Kothar the Barbarian. Kothar's adventures spanned 5 volumes. Included in this volume are:

Kothar: Barbarian Swordsman

Kothar of the Magic Sword

Kothar and the Demon Queen

Éric Kasprak says

This Kindle Megapack contains the first 3 Kothar novels. Straight forward, fun and action packed sword and sorcery, yes please! I was weary that this would be a cheap Conan pastiche (as most review sites mentioned), but to my surprise these are very good classic and fun sword and sorcery stories. The prose is kept simple throughout and there is plenty of sword action, monsters and - of course - sorcery. The author builds his stories mainly around the sorcery part of the genre with a plethora of magic, curses, evil witches, not so evil witches and of course sorcerers. As for Kothar himself, he is much more simple than Conan, more of a one solution type of guy, but since his solution is all out action, I kind of like the guy. In fact, I liked some of Kothar's adventures more than some of Conan's (Conan is much better literature overall, but some stories were lacking). So if you like action, evil sorcerers and classic D&D type adventures you will love Kothar.
