They All Fall Down

Rachel Howzell Hall

They All Fall Down Rachel Howzell Hall
It was supposed to be the trip of a lifetime.

Delighted by a surprise invitation, Miriam Macy sails off to a luxurious private island off the coast of Mexico, with six strangers—an ex-cop, a chef, a financial advisor, a nurse, a lawyer, a young widow.

Surrounded by miles of open water in the gloriously green Sea of Cortez, Miriam is shocked to discover that she and the rest of her companions have been brought to the remote island under false pretenses—and all seven strangers harbor a secret.

Danger lurks in the lush forest and in the halls and bedrooms of the lonely mansion. Sporadic cell-phone coverage and miles of ocean keeps the group trapped in paradise. And strange accidents keep them suspicious of each other, as one by one . . .

Sharon says

2.5 stars

This retread of Agatha Christie's *And Then There Were None* has a great base to work from, but taking on a classic holds a lot of risk.

While I was invested enough to hang in until the end to see where the story would lead, this novel- with its slightly jagged storytelling & unlikable and annoying characters- ensured that my hopeful expectations were not really met.

This ARC was provided by St. Martin's/Macmillan, in exchange for an honest review.

Nadine Jones says

Modern retread of Christie's And Then There Were None? Sure. Kick-to-the-gut final line in the except? Dang. Now I'm really interested. Kristen Lepionka describes as "terrifyingly good"? Let me at it!

Elise says

To be fair, this is basically a retread of Agatha Christie's *And Then There Were None*, but I liked it a lot even so.
