# Walk in Darkness

*Victor Methos*

**Walk in Darkness** Victor Methos

A Killer Hunts his Victims. . .

A sinister executioner in the grip of frenzy. Self-realized with a penchant for butchery, he finds pleasure in the vicious murders of those most vulnerable and calls himself, The Sandman.

A Detective Pulled Into a World he Thought he Left Behind. . .

It has been three years since Detective Jonathan Stanton solved the most brutal murder in San Diego's history, and as a result found himself in the middle of the worst police corruption scandal in memory. Choosing a less high-profile position, Stanton is nevertheless reluctantly dragged into the violent world of The Sandman.

Jon Stanton Meets his Equal . . .

The Sandman is clever, ruthless, and cautious. He leaves no evidence in his wake and takes a morbid interest in those that chase him. Believing Stanton to be his parallel, he finds an affinity for the detective. One that Stanton may not survive . . .

## Walk in Darkness Details

## From Reader Review Walk in Darkness for online ebook

### Nancy Radcliffe says

#### Walk in Darkness

Great book. After reading several of Victor Method books I  
Am really impressed. Great story line. Easy to read  
Thanks

---

### Jessica says

It was as if I was re-reading the first book A White Angel Murder. More surfing, more corruption...Stanton quits the force again, but surprise!-he rejoins. I'm hoping for more with the 3rd installment (free kindle edition). I found a lot of grammer mistakes too! Is that common with ebooks? Either way it's annoying.

---

### Barbara Zeidl says

I enjoyed the story but there were a few glitches in it. The young man rode to the hospital with his mother in the ambulance but when he was walking out of the hospital, he got into his car. How did that happen? Some other little errors by the author that some one proof reading it should have caught.

---

### zee clark says

#### Thriller

Method books are very gripping! You are really never sure what is going to happen or where he will take you.

---

### Beth says

a good read but wish I'd noticed it was a series and read book one first

---

### Christy Keenan says

#### What a guy!

Jon Stanton is so compelled to do the right thing and make a wrong right. Victor Methos is such a good

writer I can hardly put his books down!

---

### **Katrina Brown says**

#### **Keep on Keeping On**

Such good mysteries and surreal surprises. Really love the change of viewpoints from criminal defense to cop, male to female. Will continue to read and be grateful he's still writing and not yet lost his magic.

---

### **Terri Lynn says**

This is the second in the Jon Stanton series. Jon is a dull, boring guy, divorced from his wife but still friends, dad of two boys, has a PhD in psychology but is a detective. is a Mormon who doesn't drink caffeine or alcohol and doesn't have sex. He is as bland as anyone can get but is dedicated to putting away bad guys, especially those who hurt kids or women. The Sandman is such a creeper and even when Jon is taken off the job, he keeps trying to solve the case of who is killing very young girls. He runs into some real sickos and an Internal Affairs fanatic who has plenty to hide himself.

---

### **Deanna says**

#### **A good second installment.**

This is a good, strong second installment in the Jon Stanton series. A suspenseful and fulfilling ride. Ready to continue on the thrilling adventure with #3.

---

### **Dr. Lloyd E. Campbell says**

I really wanted to like this writer, but alas, I don't. I thought I would learn more about the Mormon Church than I did and I'm just not particularly interested in surfing. The crime story was choppy and uninteresting.

---

### **Laura Anne Warren says**

What detective on earth has time to do this much surfing? None that I know of! But, the story was entertaining although better editing is needed. Typos and poor grammar shouldn't be here.

---

### **Martha Green says**

#### **A great thriller**

Another surprise thriller. I can't put this series down. Reading Methos books is like listening to radio programs from my youth, vivid description put me in the scene.

---

### **Marleen says**

I'm starting to detect a certain pattern now that I read my 3rd Jon Stanton book; there always seem to be one or more police officers that are corrupt or evil, and Jon always seem to get shot or injured. It's getting a bit tedious, to be honest. I wonder if this pattern will be repeated in the rest of the series.

Walk in the Darkness is not as well constructed as the other Stanton books I've read so far. It felt disjointed; as a sex crimes detective in the San Diego Police Department, Stanton's investigation into the abduction and disappearance of 3 teenage girls doesn't move forward, losing all his time because he has to fight a lawsuit and undergo an Internal Affairs investigation. As the reader, we already know who the perpetrator is, but Stanton is still in the dark, and when finally the pieces fall together at the end of the book, it was a total rush-job. It lacked resolution. It lacked the answers to many of my questions.

---

### **Toni Rose says**

#### **I will read them all!**

Just finished my third Methos thriller and have to say they are a bit raw. Love the techniques he uses of bringing former. Characters into his tales. Reminds me of Stephen Kings Castle Rock stories.

---

### **Louise Pass says**

#### **Rectitude**

Tightly woven plot, well written, believable characters. I do not prefer stories that focus the violence on the protagonist, so if that also bothers you too, be aware that that happens here.

---
