[Siren Menage Everlasting: Erotic Contemporary Menage a Quatre Romantic Suspense, M/F/M/M, HEA]

Kai vows to never love another, and now her life's work is to help every soldier in need, every law enforcement officer, every first responder, so that no one is left behind.

Kai is known as the warrior angel, the woman who started Guardians help and has been a life saver to those in need. Helping soldiers get the assistance they need--medical and psychological--and transitioning back into civilian life, as well as law enforcement officers and others who suffer from PTSD. Kai wants to give them hope for a new life, a happy one, yet she has given up on love and accepted to never love again.

The last thing she expects is fall in love with three men that represent everything she fears, and yet everything she is drawn to. After losing her brother, a State Trooper killed in the line of duty, and failing to keep her soldier boyfriend alive as he slowly fell deeper and deeper into depression, she doesn't think she could ever be in a relationship with a soldier or a cop.

Zayn, Thermo, and Selasi have got it all. The emotions, the toughness, Special Forces, law enforcement, PTSD, stubbornness, and then some, but somehow they fall in love.

She's resistant, and it nearly costs her everything.

\*\* A Siren Erotic Romance.

Note: This book contains triple penetration.

Good story. Even though it's the same as her other stories.

### **Victoria says**

yay for a woman inpowered! Even though this book left some unanswered questions, the storyline was cool. I just wished the ending wasn't so abrupt. And really two days later, after finally having sex with her, they're all claiming to love each other. LOL.

Warrior angel is book one in the healing hearts series. This story is short, fast paced and enjoyable. I read

this book in one sitting and was left wanting more. I cannot wait for more books in this series. I really liked Kai. My heart ached for her. She was hurt over the people she had lost but that made her determined. Determined to put a charity together to help soldiers and first responders that had PTSD. She was a brilliant character. Not only was she truly selfless, she was also kickass. She could handle and protect herself. I liked Zayn, Selasi and Thermo. But I have to admit, I had a major soft spot for Thermo. I think it was because of his gruffness and his hard exterior. He didn't want to let anyone in but he soon found himself struggling to resist Kai.

I did see the chemistry between Selasi, Zayn and Thermo but I liked that it didn't overpower the struggle Kai was having. I truly wanted her to give love a chance but I understood her reservations.
