Bound by my Stepbrother Kenzie Haven

I always dreaded these family reunions. The ones where my parents would relentlessly try and blend their step families together in some fancy resort location.

But, it wasn't the gathering that I hated. Oh no. I could avoid that with alcohol and lounging by the pool. It was him; that cocky, masculine, billionaire, *whatever* of a stepbrother that I grew up with.

He's driven me wild for longer than I can remember. I just need to avoid him long enough to survive this gathering.

Too bad he has different plans for us. He wants me bound and all to himself.

Barbara Stewart says

They were very very short books not even real books! All I can so if hadn't been free on amazon unlimited I would have been upset..

Heather says

Quick step-sib taboo with kink

Quick little step-sibling taboo with a bondage kink and exotic location tossed in. One hot scene with waterfall, skinny dripping sex dripping fun. Well for them at least.
The story goes on in book/part 2.

Lady says

Ronnie is on her way to the family reunion that they have every five years. Ronnie's mom and stepfather have been trying to bring the two families together since that first married. But this family reunion is about to bring new meaning to the word family. While on a hike Chris, the stepbrother, and Ronnie separate from the rest of the family and go out on their own. Then they find themselves at a waterfall so they take advantage of it and go skinny dipping. Will Chris and Ronnie finally act on all the flirting they have done for years?

This is the first book in this series. This was a very quick read. I can't wait to read the second book in this series. Kenzie has made it to my favorite authors list. Right now I'm on a binge on all the books that I have of hers. I am even considering buying the books I don't own so I can have all of her books. I recommend this book and maybe series to others.

This was a short quick read. This was a step brother step sister story that I am not overly fond of reading. The story was also too short. Ronnie hates going to the family reunion. Chris Marshall who is hot and sexy millionaire who is also her stepbrother. Every year my mom & step-dad had his family & her family join in on all holidays at different destinations around the globe. It was a way to see the whole family and have fun drinking & relaxing all at the same time! This year is Cancun Mexico. Chris caught Ronnie masterbating when she was 16 and has wanted him every since. This book was well written with no errors in grammar or spelling. This was my first time reading this author.

Virginia Mitulski says

Brandy says

Wow...step brothers are fun

I choose this rating because the book was so hard to put down! It kept me on my toes and biting my lip the whole time. I personally would have liked a few more details but all in all it was a sensual seduction book! I will be recommending this book via my blog as well as just shouting it from the roof tops!

Krystina says

More like 3.5

Decently steamy, but very short, very choppy, and not much back story or build up. Going to look into the next story in this series but I don't have my hopes up.

Sarah Black says

Rating: 3.5

I couldn't give this book more than that for several reasons.

It was too short and the other parts of the book are ridiculously priced.

There wasn't a lot of detail to this story, I get that it's a short story but they could have put more thought, detail and time while writing it.

Aside from those things it was a good quick read the characters weren't boring, but they need more detail to them.

Dinna Burns says

WOW JUST WOW!!!

Okay, again this one was a freebie and I am hooked on this author I can't wait to finish this story because OMG hot doesn't even begin to describe it.

Raine says

Not a bad start to this serial. This is a short story of a stepbrother and sister who get together during a family

vacation.

Susan says

This was not a book, it was a CHAPTER. There's a little backstory, but not enough to interest me into paying \$2.99 for the next book. I guess you'll have to purchase the next two to see what happens.

Here's the gist of it: Family reunion in Cancun, she gets it on with her stepbrother. That's it. That's all she wrote. I got this for free. If I had paid for it I'd be VERY mad.

Donna Feibusch says

An Awesome Read!

I really enjoyed reading Bound by my Stepbrother (Bound by Secrecy Book 1), all about Chris Marshall my millionaire stepbrother & Ronnie his step-sister. Every year my mom & step-dad had his family & her family join in on all holidays at different destinations around the globe. It was a way to see the whole family and have fun drinking & relaxing all at the same time! Thus year is Cancun Mexico, I was excited but also not because I'd have to see my sexy stepbrother Chris who has fed my pleasure zone for years, unbeknownst to him. But ever since he caught me fingering myself in the bathroom shower when I was sixteen, I've wanted him! The author wrote a great series, and the characters make the story come to life. If you like taboo steamy hot stories that make you wet, then check out this series! I myself can't wait to read book two! Hope you enjoy them as much as I'm enjoying them!

Amara says

Cliche. Rich stepbrother with a kinky sex basement. Again. Grammatical errors and completely unbelievable story line.
