Je relis la saga Hanadan et j'en oublie de dormir la nuit...
A partir de ces tomes-ci commence la meilleure partie !

Danyka says

I'd watched and liked the anime version when I was still a kid.

For now, I got no plans for buying a copy.

Miss Ryoko says

Ugh, it's really disgusting that people like Kaede Domyoji exist. Why did she even have kids? Oh... I know... probably to produce an heir and because their first child was a girl, they had a second child and got lucky it was a boy. I know she's a fictional character, but I really want to tear her head off.

I was really bummed when I finished this volume because I had none left at my disposal, and I couldn't believe how it ended! And unfortunately I have to wait because of course the library by my house has tons of volumes in the 20s....but does it have volume 22? Nope... so I have to wait until it gets sent from another library.... I DON'T WANT TO WAIT!! Lol! It better get here fast!

Emmy Lou says

Mrs.. Domyoji just needs to disappear. HATE.

Les presento el tomo Rompecorazones 2000, ¿creías que las cosas iban bien entre Makino y Domyoji? ¡No te preocupes, la dama de hierro llega para poner las cosas en su sitio!

Moviendo unos hilos hace que Makino renuncie al hombre de oro mintiéndole en la cara diciendo que nunca le quiso, sí, prepara los pañuelos porque esa escena bajo la lluvia te parecerá seca en comparación con tu cara llena de lágrimas.

Además, de regalo le incluimos una declaración de Makino, la cual se hace a si misma, Oh dios mío, resulta que en el fondo sí que quería a Domyoji, pero para esta pobretona con clase la amistad va siempre delante del amor ¿Que les deparará el futuro?

Lisa Collins (Lisa Likes Books) says

3.5 or 4 stars. Not sure.

V says

A very very emotional ending for this volume. It was happy moments on the beginning and then Booom! Tragic as it may seem, they are too young to undergo in this kind of situations. Their love is so tried and tested.

Phoebe Andamo says

why must you hurt me this way? /criesss

Lauren says

There was something in the way all of the characters came together that I found irresistibly compelling about this series. It did remind me a lot of Ouran while I was reading it and maybe that is why I liked it so much. Tsukushi is an interesting protagonist, I loved when she started taking action and sticking up for herself.

While I wasn't overly fond of the artwork style I was able to get past it because I my love for the storyline.

This is an honest story with twists and turns, ups and downs, but then again that is real life.

I would really recommend watching the anime too!

Katelyn Callahan says

Tsukushi: "I'm not the kind of soft woman who needs to be protected by a man."

Ugh, this volume is the absolute best and worst. While our girl Tsuki has shown she is more than capable of standing up for herself and the people around her, she still has A LOT to learn about who she is. The events that unfold in this volume are vital in Tsukushi's ultimate growth as a character/person.

Violet Sakura says

This is just getting better and better!!! The last part in the rain killed me!!! So beautiful and painful!
