## **Escape with the Dream Maker** Gilbert L. Morris

Something strange and terrible has been happening in Nuworld. Some of God's most trusted servants have disappeared- simply vanished! With only a list of the missing persons and a secret password, God has sent the Seven Sleepers on another mission: "Find My servants and bring them back, but be very careful. You might be one of the next to disappear." That could never happen, of course.

Josh, Sarah, Dave, and the others know God too well to be tricked by one of His enemies... Or do they? What starts out as a harmless game--a stress reliever--could be the end of the Sleepers, and the end of all of God's servants. Come along as Josh Adams and his friends learn a few unexpected lessons about deception and addiction, and a lot about themselves. Join the Seven Sleepers on their most dangerous mission yet!

### **Kasey says**

I liked it, especially going into each "dream-world" while they rescued each Sleeper...it was fun to see what each person's "paradise" would be, but I felt like some of the story substance was lost since they were mostly all apart for this story.

---

### **The Third Place A Teen Library says**

F MOR ss bk.9

---

### **Ijorabi says**

This series is great if you're a parent and you want to train your children to love long fantasy series.

As an adult, it's kind of stupid. Still, it entertained me as a child.

---

### **King Haddock says**

This was my least favorite of the Seven Sleepers series, probably because it was abstract versus the concrete action of the others in the series.
