FoxTrot Beyond a Doubt

Bill Amend

FoxTrot Beyond a Doubt Bill Amend

"The Fox household is a nonstop, always funny, battleground; humor that hits home for anyone who's ever been part of a family." --*Bookwatch*

There is no doubt that the Fox family is one of the favorites of the cartoon strip world.

Through the five Foxes in *FoxTrot Beyond a Doubt*, cartoonist Bill Amend creates a comic peek into what family life is really like: trying. Between son Jason's elaborate schemes, daughter Paige's attempts at cooking, and son Peter's indoor football games, life is rarely dull for parents Andy and Roger Fox.

In this treasury, which is comprised of bestsellers *At Least This Place Sells T-Shirts* and *The Return of the Lone Iguana*, the Foxes find themselves again surviving an amusing round of adventure, from their summer vacation at Fun-Fun Universe, to Paige's adventures in baby-sitting, to Jason's inaugural ice-cream date. At the same time, the Foxes also face a variety of real-life situations, from thermostat wars to forced vegetarianism to Roger's challenges with a workplace efficiency expert. All in all, this spirited family of five gives fans by the millions a daily dose of reality with a side-splitting helping of humor.

Ari says

Amend is one of the funniest comic artists around. His jokes are funny and hit family relationships squarely on the head. He is a very talented artist, and very imaginative. I love to look for his "Easter eggs" in the form of newspaper articles with comic writer jokes and how from frame to frame the Fox's household picture and magazines will "move". Overall anyone who loves to laugh aloud will enjoy this.

David Ward says

Foxtrot Beyond a Doubt by Bill Amend (Andrews McMeel Publishing LLC 1977)(741.5973) is a real hoot as always. The further adventures of the Fox family continues to delight. My rating: 6.5/10, finished 10/17/11.

Kristine Hansen says

This was a walk down memory lane with some of these jokes about modem speed, back when the internet was still new. My goodness, that was me playing Doom...and the phone line being tied up...and that horrible feeling when you realized you'd gone over your time on the internet because you were charged by the HOUR. Yikes!

We've come a long way, but the book is still funny to those of us who remember. And there's plenty of jokes that are timeless. Love Foxtrot!

Sarah says

Another great Foxtrot collection!

Jerry says

Like the other books, this one was a blast.

Eclipse says

Eh. it was funny, but not as funny as assorted. Assorted is really good but it doesn't always hit the mark. I liked the, "Oh very funny." on the page like the cover. Jason just has to have some good jokes. Like from the website, this needs more like them. It just isn't that funny when it comes to these jokes. Paige is tormented,

but not enough. I wouldn't recommend it.

David Caldwell says

When I was working in any of the many bookstores where I was employed and I did not want (or have the time) to read my current book, I would grab one of these collections to read on my too short break. I slowly but surely worked my way through several series. These are great time killers and will usually improve your mood no matter how hectic the day. Laughter can be the best solution to dealing with the public.

Duane says

For good clean family life humor, you can't go wrong with Foxtrot. Following teen angst, parent confusion, and total chaos, Amend does a perfect job of making the reader laugh out loud as you follow the lives of each family member in the Fox family. A great read for a good laugh!

Hilary says

I love reading foxtrot so much. I didn't realize how many of the foxtrot books I hadn't read until i actually looked up how many there were... I was so sad when they discontinued printing foxtrot in the newspapers.

Tatiana says

foxtrot is one of the few cartoons that has ever consistently made me laugh out loud. i can read them over and over again if i need a good cheering-up.

Kristine says

Classic FoxTrot!

angrykitty says

when i was in high school, i would always read fox trot, calvin adn hobbes, and teh far side every morning before i went to school. man those were great funny-page days.....except there also was cathy and for better, or worse.

Dakota says

it is a great set of comic strips that make you laugh a lot I was laughing almost every page so great. I like that you can really relate to the characters and like any good book be transported into the world of the book or in this case comic

Sarah Durkee says

I love foxtrot and have read all these books several times.

Hamza Albarzinji says

good
