From Reader Review **Heartsong** for online ebook

WV says

But this has a title already, and it's supposed to release in 2019...? AND I WANT IT. I've never wanted to read a book this much before. Not even all the Twilight books when I was eleven. I've wanted to read this ever since I first heard about it over a year ago, and it's terrifying because sometimes I'm just staring at a wall and thinking about this book and DYING because I want it so much. I mean, I'm excited for *Ravensong*, obviously, but *Heartsong*'s the one I'm really waiting for. Because Kelly and Robbie and riuhgiusrhurgh. I NEED THIS. Why can't I hibernate? Why can't it be 2019 already? WHY?

T.J. says

If in the twilight of memory we should meet once more, we shall speak again together and you shall sing to me a deeper song.

KELLY. KELLY.

KELLY WHO IS ASEXUAL AND IT'S CAPITALISED which means it's a THING AND AAAHHHH.

After **Ravensong**: I have SO MANY THEORIES and none of those are good. Damn you TJ Klune.

23/01: update

So. I've just found out Kirt Graves read a **non spoilery teaser from *Heartsong* and I'm DEAD.**
