Shivani Singh says

I have read and seen a lot about this evergreen classic. This book literally transports you to a different age. I have not lived during the time of the story set up, but it always makes me wish I was there at that time. Small things fetch so much of happiness. Innocence is such a beauty, which exists very little in today's age. Love it. You'll love too.

Rudra Kapalin says

R.K. Narayan is a legend. His work inspired me to break all boundaries while letting the story flow
