Super hot story of smokin love between Jess and Callum. Coupled with a bit of DD/ LG play and insane sex scenes- the story captivated me from start to end.

Me loves the forbidden!

Holy crap was this a hot read! I loved Callum and I loved Jess. For a quickie short read, this had the romance, the crazy hot (and instant) attraction and some pretty damn memorable love scenes. Callum is definitely what most women's fantasies come from!

Can't wait to get my hands on Laura and Troy!

**4 TOO SHORT STARS**

*"Just so you know for the future. The only man you will be calling Daddy is me, while I'm buried deep inside of you."*

If this line offends you, PLEASE AVOID THIS BOOK!

However, if you found yourself Slightly turned on, then please proceed with my review.

This book was too short! Yes I know it's a novella but it's TOO SHORT!!!

I needed more!

I wanted more!

Alrighty then, my review!

This book is really easy to follow without too much drama and NO TEEN ANGST!

Yay!

But the heroine, Jess (aka Kitten) was only 19, and the hero, Callum (aka Daddy) was 35. So this is a true May/December romance.

With the added twist of her dad being friends with the hero.

So it was clearly a case of....

They meet by chance at a club on her 19th birthday and he gave her a birthday kiss NO WOMAN COULD EVER FORGET!

And this innocent was out of her league with this alpha. He was ready to take her home and claim her but she was young and she was scared so she ran!

But this alpha was not going to give up on his Kitten. I was going to find her and claim her. He just didn't expect to see her serving him up a home cooked meal at his friend's house!

One look and ...

*"Ssh, Kitten, you have to be quiet. You don't want to get caught with my hand on your sweet little clit."*

He was going to tell his friend and the whole world that this woman was HIS AKA MINE.

Hence the title!

But it doesn't stop there. There was this...

*"Don't worry, Kitten, I promise you this piercing is going to feel so good when it's inside that little pussy."*

*"Get over here Kitten. I need those lips wrapped around me."*

And if that's doesn't get your motor running then how about this,

*"Give it to me, Kitten. Let go and come for Daddy. Cum all over my tongue."*

It's not only sexual love but they share some tender moments as well.

And the hero thinks

*~~~I consider myself one lucky fucker to be the man she is giving all her firsts and lasts to.*

*~~~I lay beside her until her breath evens out and I know she is asleep, before I drift off, I know I'm holding my world in my arms.*

Awhhhh....

Now that's it! I'm not saying anymore about this book you will just have to read the story for yourself.

I really enjoyed this book and I will be picking up the next book by this author about her father when it becomes available.

Honestly, if this book had had a longer epilogue, it would have been a 5 star read for me!!!

So worth the dollar for the download on Amazon.

**Content alert and safety: no cheating, no OW/OM drama, no condoms, no mention of hero's past sex life and the heroine is a virgin (her dad's a cop it makes sense here).**

**There are elements of Daddy kink and light breath restriction. Along with light Dom/sub without bondage.**

**I think that's it for me.**

**Happy reading or skipping!**

**Eve Recinella (Between The Bookends) says**

Now this one I ADORED!

**SUPER SHORT -- DADDY KINK -- OLDER MAN -- YOUNGER WOMAN -- VIRGIN HEROINE -- ALPHA HERO -- SMOKIN' HOT -- NEEDED A BETTER EPILOGUE.**

---

**Mindy Lou's Book Review says**

- Older man/younger woman
- Dominant Alpha
- HEA
- No cheating
- No abuse

-Super hot

He demands her to call him daddy but that's as far as the daddy kink goes.

### **Jenny says**

80% and still no sex. I almost DNF but I wanted to see if it gets better. It didn't. It was kind of dry and boring.

#### **4.5 Smoking Hot Stars!**

I love a good older man younger woman story with a touch of daddy kink ;) Callum was my kinda alpha and the insta-love was almost too much to handle!

**"Just so you know for the future. The only man you will be calling *Daddy* is me, while I'm buried deep inside of you."**

Can't wait for the next book about Troy & Laura!

### **Val Shameless ?? Steamy Reads ?? says**

#### **2 Meh Stars**

I actually almost DNF'd this one at about 33%...but I kept on truckin' for some unknown reason.

My dedication to mindlessly craptastic smut just knows no limits, apparently.

What can I say?

#guilty

I feel like this book was *trying* to be an Alexa Riley-esque read, but it just didn't cut the mustard for me.

I MUST say though that I read this book on the heels of a slew of AMAZING books by some of my ALL time favorite authors.

Which, of course, makes the playing field verra unfair when you are comparing apples to oranges.

For that reason, I gave this 2 stars instead of the 1 star I *wanted* to give it.

We will call it an "it's not you, it's me" GUILT star.

For whatever that's worth...

But hey, here's a cute dog:

### **Gi's Spot Reviews says**

**Mine** was a great debut novella.

Sweet and smutty little read with light Daddy play. I loved it but sometimes you could feel that it was the author's debut into the writing scene which coupled with some editing issues, ended up stealing some of my attention. Nonetheless an awesome smut, and I'm definitely reading more from this author.
