## **Savage Pride Sara Fawkes**

My name is Eve Parker, and I thought I'd found my dream man. Ash was a biker and his world was unlike anything I'd ever known before. I thought I was ready for whatever I would find inside his life, that my love for him could carry me through any darkness.

I was wrong.

### **Kristy says**

Really, how much longer do we wait?? I have had this sitting in my to read since March 2014 and it is now May 2015. Any chance of an era as to when it will actually be available.
