She's Mine

Sam Crescent

She's Mine Sam Crescent

Drew Reynolds is a hard working man. He's not rich, he's not fancy, but when he finds the one, she'll be the only one. For seven years he has only been existing—until Raven Howards finally returns to town. He's going to own every part of her, and he's sure to let everyone know she belongs to him.

Raven remembers Drew. He was the one guy that stood out from all of the others. However, he's the bad boy that all the girls want...and have had. How can she even fall for a guy like that?

He's not taking no for an answer. She's back, and he's taking her. There will be a happy ending, he won't allow for anything less.

***Dee's Reading Time Matters says**

Wow, what a claiming! I loved Drew's change when he saw the women that got away some seven years ago-- his Raven!

Drew Reynolds immediately told her how he felt about her and he could care less what people thought including the many, many, many he bedded in those seven years. Raven seemed shocked that Drew even noticed her but wow he had. He had to redeem himself in so many town folk's eyes including Raven's dad, Clark. Oh but Clark was also a manwhore in his day so Miranda, Raven's mom let her know about her father's past.

This was a terrific story that got better and better till the very end!

5 Drew worthy stars!!!!

Dina says

2 stars..

1 star was for the idea; and another star was for the steaminess in it and the lovely epilogue.

Wanted to love it, but the 'hero' was anything but that. And the 'heroine' was not that.

Just... NO!

Fre06 Begum says

He was so disgusting! I seriously could not understand how accepting the female lead was about his sexual exploits because he actually made me shudder with disgust.

Cheesecake says

Raven and Drew. Like a moth to a flame, I could not resist getting this truly awful book despite the bad reviews. And it did suck. So very repetitive, so kinda creepy, so disappointing!

Raven has always been attracted to Drew but she was too young and not his usual type. Drew was happy to stick his wanker into any willing hole, no matter how disgusting. In fact she would often come upon him while he was doing this which didn't seem to bother Drew a bit. Now Raven is back in town and Drew has decided that she is HIS. Honestly the multiple instances of her seeing him scr*w other women wasn't what killed the story for me so much as the adolescent writing and the extreme repetition of the same inner

monologues and insecurities. I skimmed the whole book.

The weird thing is that I've read better books by this author and this book felt like it had been written by someone else. Maybe she was half asleep when she wrote it???

Lauren says

I really enjoyed this book. She's mine is a short steamy romance. Sam Crescent is one of those authors that make me want an alpha man. That crazy kind of "She's mine" type of love. I love the characters, I love the storyline, I love this book. I loved the way Drew changed his habits/hobbies for the woman he loved.

Drew Reynolds is a man with a reputation. There isn't many women that he hasn't slept with. The women around town that he sleeps with only want him for a certain body part of his. They see as a dumb and poor man that they don't want to be seen with.

Raven Howard has just moved back to town after having been away travelling for seven years. Raven has always fancied Drew but she wasn't old enough for him. Raven is a shy woman, she has trouble speaking to people. Drew makes Raven feel comfortable and in return, Raven doesn't look down on him. She makes him happy and at peace.

I loved the epilogue for this book and I loved the love between them.

Maria says

Οκ, φα?νεται ?τι ε?ναι Crescent απ? τις πρ?τες σελ?δες. Και εν? ?θελα να πω καλ? λ?για, γιατ? ως ιδ?α το αξ?ζει -μ?λλον- δεν υπ?ρχει περ?πτωση να πω καλ? κουβ?ντα. Το μ?νο που μου προκ?λεσε η αν?γνωση του συγκεκριμ?νου βιβλ?ου ε?ναι την απ?φαση πως απ? εδ? και π?ρα θα διαβ?ζω βιβλ?α της Crescent ως παρωδ?ες. Νομ?ζω ωστ?σο ?τι κατ?φερα να κατανο?σω ποιο ε?ναι το βασικ? πρ?βλημα στην π?να της, εκτ?ς απ? την ?δια την π?να της.

Δεν ε?ναι οι υπερβολικ? alpha male πρωταγωνιστ?ς της και οι αθ?ες, ?βουλες πρωταγων?στριες της. Ο?τε το γεγον?ς πως τα ζευγ?ρια ερωτε?ονται -για π?ντα- στα πρ?τα 3 λεπτ? της γνωριμ?ας τους ? πως πα?νρουν την απ?φαση να κ?νουν παιδ? μετ? απ? ?ριμη σκ?ψη 1 εβδομ?δας σχ?σης. ?λα αυτ? αν?κουν στο συγγραφικ? της μοτ?βο, ε?ναι σεβαστ?, ως αναγ?στης τα γνωρ?ζεις απ? πριν και στην τελικ? ?λα χρει?ζονται και προσωπικ? περν?ω πολ? καλ? διαβ?ζοντας παρ?μοιες ιστορ?ες, απ? ?λλονς. Το πρ?βλημα της Crescent ε?ναι πως γρ?φει τ?σο μα τ?σο απλ? που καταντ?ει τ?σο μα τ?σο εκνευριστικ?!

Emily says

Drew Reynolds just used women, he never sought them out but they found him. Didn't matter if they were married, engaged, or single he took what he needed and sent them on their way. There was only one woman who ever caught his eye, Raven Howard. Raven though took off right when she turned eighteen and has been gone for seven years.

Raven now has returned home and Drew has made his interest known. Raven isn't sure she can trust Drew though, how can the town man whore become a one woman man so quickly. Drew knows his past defines him but Raven is his and he will take the time she needs to build her trust and make her his own.

I liked this but had a hard time warming to Drew when he was so cavalier about who he slept with. Raven I thought was sweet and cautious about Drew, which she needed to be. Drew changed in a heartbeat I thought he was very charming with Raven. Good story.

Deborah says

Firstly I have to say I love the cover, I actually liked the cover more than I liked the book.

I've read a lot of Sam Crescent books so I knew basically what to expect. First we get the hot alpha male with a revolving door on his bedroom then the innocent plus size virgin he falls in love with, so far so good but...

Problem here was Drew was a manwhore and the book actually opens with him having sex with another woman, a nasty vicious woman at that.

Raven knows his reputation, seven years ago before she left town she used to watch him have sex with other women which I must admit I found a bit creepy.

The other women were impossible to escape and the book itself felt repetitive.

To give Drew credit once he sees Raven again after a seven year gap he falls instantly in love and knows she's the one, he doesn't cheat or even look at another woman and the epilogue is nice but...

It just didn't fully work for me and there's one truly yucky moment.

(view spoiler)

Before I read this I quickly looked at the reviews on Amazon UK where it had five reviews and all five were 5* so obviously a lot of people love this book.

Ruby.D says

['They meant nothing, ... as useful as a toy. Boring as hell, too.' (O_o) Seriously??? If I was the heroine I would give him some slaps in the face. (hide spoiler)]

Annmarie says

It was, he was totally devoted to her after she came back. BEFORE that she had seen him getting bjs and having sex with OW a lot. Also, it opens with a really descriptive sexy scene with OW. So if that's an issue

for you, you've been told. Anyway, I love how he was protective of her and talked with her dad. Epilogue was nice too.

★Penny says

1.5 Stars

★Hero - Drew Reynolds,30

★Heroine - Raven Howard,25

★They were apart 7 years but they were never a couple, she liked him and he knew who she was but that was it

★There were too many details about his sexual past including an awful explicit sex scene with OW

★She mentioned seeing OW giving him a bj (she actually saw him many times with several OW when she was younger)

★He never approached her before she left because she was too young but as soon as she turned 18 he decided to ask her out (he made this decision one day while fucking OW and the h watching him, she wanted to say goodbye to him, but that obviously didn't happen, because, well, he was "busy"). The next day, she left and he missed his chance...

"I never said anything to you about all the times you stumbled onto me giving my dick to another woman. You were too damn young, but even still, you always found me." "I wasn't too young that last day at the ranch," she said. "No, you weren't, but then, I wasn't about to give you my dick once I stuck it in that other woman. You deserve more than that, and you weren't ready to be mine."

★Once he saw her again he knew she was going to be his *rolls eyes*

She's different from those other women because she is mine. Those other bitches were just a pussy to use. She's back now, and I'm not going to stand by while another man takes what belongs to me. It's not going to happen. She'd gone away, and he didn't realize how much he was missing until she returned, but he wasn't going to make that mistake again.

★During the 7 years that she was away he never stopped thinking about her but of course he fucked every woman in town because he was really proud of his 10 inch dick and apparently bitches loved it even though they didn't like him because to them, he was just a poor and dumb rancher. *One thing I don't understand is*

why if he knew her parents he never tried to contact Raven

“This you can’t deny, Raven. Since the day you’ve been gone, I’ve been dying inside, waiting for you to come home.” This is crazy. It has been seven years. You’re a man-whore.” “I’ve been waiting for you, Raven. All these years, I never knew what I wanted until I saw you again.”

Oh, the romance...

“I’m not going to lie to you, baby. I’ve fucked a lot of women. I’ll even point them out, and tell you about it. I won’t hide what I was.” “That’s comforting,” she said.

She was a bit foolish and naive imo...

“If I’ve snagged the notorious Drew Reynolds, and I haven’t even slept with you yet, then I’m doing something right.” “Baby, you and I both know I’ve been yours for over seven years.” “You waited for me. I mean, you didn’t wait for sex or anything. You waited for me without committing to anyone else. That, I do find very romantic.”

★There was no separation once they became a couple

★He always used condoms with OW, he didn't wear them with Raven and she was on the pill

★When he proposed he said this *"Seven years ago, you saw me in a less than flattering, um, state, and before I got a chance to talk to you, you were gone. For seven years I've been going through life without really living. There's no enjoyment. There was no love. I had sex, but I didn't have a connection. No one even came close to being the woman that I needed..."* <-- I don't know what man in their right mind would say something like that in a proposal, and he did this in front of all the people who were at the bakery where she was working

★Great epilogue – 18 years later (view spoiler)

Sam Crescent's books are always a hit or miss for me, this was definitely a miss. He would've been a great hero without all that talk about his past and the nasty sex scene with OW. Raven wasn't the best heroine but I think she did pretty well given the circumstances. The extra .5 star is for the epilogue.

-----SFME

Tink Magoo is bad at reviews says

I'll start by saying that this was miles better than the last book I read by this author, which quite frankly was shit. While the writing was better, around the 45% mark I got bored.

It became mushier than a tin of mushy peas.

The insta-love, manwhore + virgin theme was boring (I've had enough of that in books) and the 'she's big she's round, she bounces up and down' isn't really my thing.

So my DNF, this time, is more to do with my tastes changing, rather than this being awful.

B.E.Love says

[he asks her if she wants to see a video of him with other woman, and he used to let her watch him with other woman when she was younger. (hide spoiler)]

Chantal ❤? says

Note for me: he wants her to watch movie of him having sex with another's when he was younger. Wow just wow.

Chitra *CJ* says

So basically a messed up fck fest!

Drew is a man whore. A literal one. Book starts with him sexing OW and remembering the heroine.

Raven returns back after 7 years of wanderlust and Drew is on her like fly on honey. He knows she's seen him screwing other women as a teen, and that turns him on. Suddenly mr "I can't keep my dick in my pants" is all caveman, growling mine and tearing all hymens.

The book didn't make much sense.. but it had a lot of dry humping and a little sex.

I hate when heroines have to deal with OW.. pisses me off.

If you like averagely smutty books with curvy heroines, this would be a good read but if you like safety, stay FAR away.

The stars it gets is for the epilogue. I needed the batter.
