Swapping her Brigade Chief armband for a director's chair, Haruhi continues production on the SOS Brigade's school festival film project. As she watches her half-baked plot acted out in front of her, Haruhi longs even more for the supernatural reality depicted in her movie. And for Haruhi, bringing her script to life is wholly possible...and inevitably dangerous!

Continuing adventures of Haruhi

The Haruhi SOS Brigade continues its searching during the school festival. Haruhi shows her chops as a Rock Idol. The Brigade encounters a Water God while on a picnic trip. All overloaded with humor as usual!

Dylan Murphy says

Yet another fantastic volume of The Melancholy of Haruhi Suzumiya!

This one was a ton of fun, where the SOS Brigade get's into tons of trouble and has to work together to figure out how to save the world and preserve the mystery!

A really good read, I love where the author is taking the characters!

Valentina says

Diventa sempre più delirante... XD

Emmy Lou says

In which the movie finishes filming and the school cultural festival really kicks into high gear!

Fugo Feedback says

¡Maratón de reseñas genéricas para el manga de Haruhi! Adaptaciones con un dibujo bastante pedorro (pero que va mejorando de a puchitos) y una historia resumida pero fiel a las (mucho más) divertidas novelas

originales.

Hachton says

he finally snapped.... hmm.

Variaciones Enrojo says

Edición argentina, tomo 6.

E.S. says

Man, I really want to watch episode 0 now.

I'm glad that Haruhi is becoming somewhat more tolerable now although I was hoping Kyon would slap her after she mentioned that Asahina was her toy. Like, come on dude. A Kyon and Haruhi relationship is also totally about to happen soon. I'm calling it now.

Nidah (SleepDreamWrite) says

Good volume.

Cecilia says

Inappropriate

Jaime says

Oh, Haruhi. Oh, Kyon.

I forgot about the talking cat.

This movie is great.
