The Untamed Heiress Julia Justiss

Imprisoned as a child by her spiteful father, Helena Lambarth vowed upon his death to never again live under a man's rule. But to honor her mother's last wish, she journeys to London to enter society -- and finds herself a reluctant houseguest of the dashing Lord Darnell.

Adam, Lord Darnell, has little time to oversee the bedraggled hoyden he's agreed to sponsor. Saddled with his father's debts, he knows his one hope is to win the hand of wealthy Priscilla Standish.

If only she weren't so ordinary compared to the unconventional Helena—and if only his waif-like ward hadn't suddenly transformed into a bewitching young woman...

The desire they spark in each other is undeniable. But can the love they try to resist conquer Helena's demons and free them both?

Gail says

Liked this book a lot too. It's very different. It opens with the hero being asked by his mother to go fetch a young girl from a solicitor's office. The girl's mother was once a dear friend, and now both the girl's mother and father have died, and the hero's mother has been asked to look after her. Except (of course) the young girl is actually a young, scrawny, disaster of a woman--who is the heroine. Then it turns out that she's essentially raised herself. She's only come to stay with the hero and his mother because Her mother asked her to. She didn't even know her mother was dead until she arrived in London, and her father had apparently mistreated her horribly. The story is very well told, the heroine is definitely untamed, but she has reason. The hero is charming--even if he gets himself engaged at precisely the wrong moment. It's a very good read.

Zinnia says

Inte en av hennes bra.

Angela says

"Taltsutamatu pärijanna" eesti keeles

Olga says

El personaje femenino salva la historia de principio a fin ... no es tipico personaje ñoño y cursi que vive por su virginidad... toma las riendas de su vida a pesar de ser una mujer en ese tiempo....

Desi says

Entretenido pero hasta ahí... aunque me sorprendió la protagonista, me pareció el mejor personaje!!

Mnms says

Cinderella with an attitude...

It reminds me of a teenage fantasy: Sweet, predictable and somewhat naive - but great stuff none the less. I loved it!

izzy says

This is love at its finest
I believe the setting will be in the early 1900s' or 1800s'

Helena Lambert is a prisoner in her father's house due to her mother's infidelity.
when her Father dies, she is overjoyed because she is free and hopes to reunite with her mother. (she has inherited so much fortune on both sides)

Upon hearing of her mother's demise and last wish to stay in London with her mother's cousin Lilian.

Lillian sends her step-son Adam to fetch this orphan
At first, Helena looks beyond ugly, but with tutoring, good feeding and a good heart. She becomes the most sort after heiress in town

Mandy Stevens says

I absolutely love this book it's definitely one of my favorites I've read it so many times I'm in need of a new one.

Alexandra says

I actually got through reading it again and it was still as good as I remembered it being. I fell in love with the heroine, I was able to really relate to her. I enjoyed this book and would highly recommend it.

Anne says

I loved this book. I totally sympathized with the heroine, and greatly admired her. Everything about the book was so well done. I look forward to reading everything by this author.

Manju says

liked the way that the focus was always on the main character - also the story moved at a good pace with relevant instances from the heiress's past interspersed

Nancy Luebke says

I absolutely loved this. It grabbed me and pulled me in from the beginning and was fast paced, hard to put down. It made me cry, laugh and fall in love with the characters. This historical romance was mainly set in England and believable. I really want to read more of this author.

liz says

This book was so much fun. Soooo much fun. The heroine is genuinely interesting, compelling, her "dark secret" is truly dark and really isn't kept a secret at all, from the reader at least, the tension between the two people who are supposed to end up together isn't only frustrating... Really good, for the genre.

Helena had not again ventured out. Though, she concluded as she poured herself a glass of wine, after three weeks of enforced inactivity, she would almost be willing to join the Christians in the ring at the Roman circus just to escape the house.

Meme says

this book was amazing I loved it from the very beginning and have read it sever times since then.

Carla Faleiro says

Um romance de época ao estilo habitual da Harlequin.

Algumas falhas em termos ortográficos, como repetição da mesma palavra, trocas de masculino pelo feminino ou plural pelo singular.

No geral temos a estória de uma rapariga vítima de maus tratos e que ao ver-se livre não tem grande ideia sobre o comportamento de uma dama em sociedade... Algumas aventuras e romance, servem para passar alguns momentos engraçados.
