## Witch Happens A.M. King

Some people come from a long family line of lawyers, doctors, teachers and even cops. Febe just found out she comes from a long line of...witches!

Febe Summer is not having a good day. Or a good year, for that matter. She lost her fiancé, her job, and her apartment all in one day—on her 25th birthday! Talk about the worst. Birthday. Ever!

She's jobless, penniless and soon to be...homeless.

Will she be able to rebound and pick herself up again?

Oh, and she just found out, thanks to a dark family secret, that she's not who she thought she was. She's a witch! And she's not allowed to practice magic—yet.

When she moves back to her small hometown of Blackshore Bay, there's more family drama than she can handle. Her aunties are out of control, her sister is being secretive and someone has murdered the malicious town gossip. Will she be able to find out whom, before it's too late?

**Witch H as opens fan**

This is a new series to me. I enjoyed the story very much. I love Ebony! And the aunts. I'm sure Febe, and then will get into real scrapes a lot. Are we going to meet the youngest sisters?

**An interesting witch mystery.**

I enjoyed this book. It was interesting to follow the main character as she discovered she was a witch and learned the rules of how to be a witch. I liked the characters in the book.

---

**Kelly says**

Too many pieces left out like the author had to tell the entire story quickly. It was annoying that Febe constantly repeated what someone said as a question.

---

**Raven says**

**Coming of age**

Shifty quirky quick read. Engaging rendition of becoming a witch. Add romance murder mystery you create an entertaining story. Only problem is missing text no matter the orientation.

**Ok read plagued with grammar and punctuation errors**

The book was a fun story but the grammar and punctuation errors were quite distracting. Not sure if I'll buy the next book as it was a little difficult to get through this one. Maybe if the author cleaned it up and re-released it...?

## **Mehhhhhh**

Badly in need of an editor and a proof reader. Convoluted plot and poor character development. Needs a lot more work.

## **Dawn Williams says**

### **Great short story**

Great short story about a witch coming into her powers. A new to me series about a witch first coming into her powers it will be interesting to see how the author develops this character.

## **Bob Green says**

### **Horrible**

Get an editor! Or at least proofread by someone who speaks English. So poorly written it is hard to read. I gave up after the first chapter.

## **Suzie Hamel says**

### **Bummed**

The premise was interesting, and the ideas are there. But the story as just too simplistic, and the grammar mistakes were driving me crazy. I really wanted to like it, but sadly it was just ok.

### **Witch Happens**

I thought the plot and story were great. However there is some mistakes throughout the book. The next book is on my tbr. I have to know what's gonna happen to the Summer Sisters.

## **Kat Taylor says**

### **Murder on the side**

A delightfully crazy cozey mystery with witches, witchs in training, ghostly teachers,all looking into a small town murder while running a restaurant and learning how to be a good witch. Check it out you'll be mildly amused ?. Kat

**Shanna says****Fun read**

I loved this book! Very entertaining and the Summer sisters are a riot. I am off to get the next book in this series! Happy reading

**Kim says**

I'm assuming this is this author's first book. She desperately needs an editor. Lake Erie is south of Toronto, not north. This story meanders and is sloppy and confusing. Her boyfriend is suddenly her fiancé. Names change within the same chapter. Dialog sucks! Storyline full of holes. I tried but only made it to chapter 16 as I was noting typos and errors on every page.

---

**Krystyna says****Surprising birthday presents**

A solid read. Not great as the plot is really a bit unbelievable and the sleuthing needs tightening but this might improve with further books. Her 25th birthday and all she can think about is tryptophan get the right gift for her boyfriend. However her surprise falls flat when she finds him in bed with her boss, loses her job, can't afford her apartment and oh, yeah, finds out she is a witch. When her sister comes to collect her to go to the family home, she readily agrees. Finding a dead body on the way is not what she expected. Even if it is of a malicious gossip reporter. Who killed the woman and why? The plot is really similar to dozens I've read and unfortunately the characters need more work. They come off as slightly unreal.

**Janice George says****Confusing**

Story seemed a bit confusing & chaotic. Plus the typos and transferring between he/she/her/him . I think that the premises for the story line could be good, just need a better proofreader
