Caught In The Middle

Jennifer Luckett

Caught In The Middle Jennifer Luckett

Meet Lakeeysha Jackson, an attractive, young, hair salon owner whose mother, Michelle Williams, is released from prison after an eight-year prison sentence. Michelle reunites with her ex-boyfriend, Antonio “Tony” Dixon, and realizes that Tony’s addictive lifestyle is no longer the life she wants to live and gets involved with Officer John Shelby. Will Michelle allow her demons to interfere with her newfound love and happiness?

Lakeeysha meets and falls in love with Antwaine Greene, a notorious drug dealer whose mind is set on two things: money and women. Lakeeysha tries to find her place in Antwaine’s life, but her quest for his heart is cut short when he is mysteriously killed, leaving Keeysha in suspense and anxious to find his murderer. As she pieces together this deadly puzzle, she is confronted with a bare truth that explodes her world into a million tiny pieces.

Keeysha’s search for truth endangers her life and those she cherishes the most. As the body count rises it is only a matter of time before death comes knocking at Keeysha’s front door. With Antwaine dead, who will rescue her from this deadly and cruel world?

Enliven your senses and awaken a new thirst for adventure as Jennifer Luckett tells a no-hold bars tale of the gritty side of Jackson, Mississippi, and gives new meaning to the City with Soul.

From Reader Review Caught In The Middle for online ebook

Alfred Thompson says

This book was not bad. It was kind of predictable.

Sandra (Book Loves) Atueyi says

Caught in the middle was a good book to read. It's caught me attention to reading from Jennifer Luckett. I felt touchy and emotion from the beginning to the end of this book. This book is dealing with drugs, abusive relationship and many more. This is my first time to reading from Jennifer. She takes her time to writing this book and she did a good job. I enjoyed reading this book and get know each of characters in this book. I will continue to reading another book from this author.

I dislike when Ace is putting his hand on Quandra. Alicia invites the crackhead Tony to Quandra's apartment. Also, I didn't like when John is accusing of Alicia.

So far, this author and this book deserve a five stars from me.

Good Job!

Sandra

Juiceereads says

Ummmmm...

Um, yeah... this book was almost difficult to read. It was rushed and slow at the same time... There was so much potential in the storyline but it just didn't quite live up to it. There wasn't enough detail when it should have been and too much when it wasn't really called for. The characters and the conversations between them were weak. It took entirely too long for the REAL drama to occur and when it finally did (at almost 90% through the book) it was mediocre at best. This book just could have been sooooo much better.

Barbara says

This was a excellent book.

I loved the characters and the story line were very well developed

The story will capture your interest until the end. The story line flowed very well.

All in all, I would recommend this book you should add to your list of books to read this year.

The author did an excellent job and I'm sure you will enjoy this book as much as I did.

Thank you to the author for an excellent story

Ashley Parker says

Good good good

This book was a great book ... the ending caught me off guard , nobodys loyal in this book ! I'm interested in reading part two.

Darlene Cokley says

Ladylivetoread

I hope part 2 is just as good. Great read. I really enjoyed it. A must read..Enjoy. Please read it

Lisa Marks says

Very good book

ConSonia says

Absolutely enjoyed this book she was a new author for me I may have to add her to my collections of my constantly to read.

Street Literature says

We throughly enjoyed Jennifer Luckett's 'Caught In The Middle,' 4 STARS.

The storyline was crazy-good and sucked us right in, and we found it extremely hard to put down.

Young business owner Quandra, goes against her number one dating rule and falls in love with a hustler

when her estranged relationship with her mother becomes to much for her to cope with. Her mother Alicia, is fresh out of prison, fighting a drug addiction and entertaining old aquantances with bad habits that could see her back behind bars. Quandra is determined to remain the same strong independent woman she has had to become in order to survive the hurdles life has thrown at her, but like the title says she gets 'caught in the middle,' and between her mothers disappearing acts and her new mans lifestyle she risks loosing everything including her life.

A really well written and well told story. We look forward to reading more books by Jennifer Luckett.

Charnee Emery says

THIS BOOK WAS GOOD! QUANDRA MOM ALICIA WAS TOO MUCH & IM GLAD QUANDRA OR JOHN DID NOT GIVE UP ON HER DUE TO HER DRUG ADDICTION. SHE STARTED TO GET HER LIFE ON TRACK AFTER HER 2ND TIME GOING BACK TO PRISON FOR GETTING CAUGHT IN A BOARDED UP HOUSE WAITING FOR TONY TO RETURN WITH MORE DRUGS....SHE NEEDED TO LEARN THE HARD WAY THAT THOSE DRUGS WAS NOT GOOD FOR HER....IM GLAD SHE LEFT TONY ALONE FOR GOOD & MEET JOHN. QUANDRA MEETS & FALLS HEAD OVER HEELS WITH ACE AFTER KNOWING HIM FOR A SHORT WHILE SHE FOUND OUT ABOUT HIS INFIDELITY & HOW ABUSIVE HE REALLY IS. AFTER ACE MEET QUANDRA HE JUST KNEW HE COULDNT LET HER GO SHE WAS WIFEY MATERIAL. HE JUST WASNT READY TO MAKE THAT JUMP & BE A ONE WOMAN MAN BUT AS LONG AS HE HAD QUANDRA ON HIS SIDE HE WAS GOOD. ACE & HIS COUSIN WAS TOO FAR GONE INTO THE DRUG BUSINESS TO GET OUT BEFORE SOMEONE DIED. THE ENDING WAS CRAZY CAN NOT BELIEVE WHAT TRANSPRIRED WITH ACE'S DAD & COUSIN SMH

Shirley Mcqueen says

Good Book

I really enjoyed this book I felt sorry for Quandra losing her bby & bout the way Ace died even though he was a dog & treated Quandra bad she was a gd women to him I can't believe the things Stunna did I'm glad everybody is getting on with their lives can't wait to read what part 2 is bout

MZURAQT says

Caught in the middle was a straight banger I enjoyed it from beginning to the end.I felt in touch with all the characters.I was even sad at some points, but through it all the books showed that no matter life throws at you, you can overcome it.Can't wait to read more from this author.
