Grace Happens Here: You Are Standing Where Grace is Happening Max Lucado

A wonderful message about God's grace and how to apply it to every aspect of your life.

Max Lucado looks at grace from all directions and reveals that no matter which way you look at it, God's grace is always there, ready to do wonders in your life. This beautiful gift book is filled with powerful quotes, Scripture, and stories that will transform your heart and mind with a deeper understanding of God's healing grace. The message gently and eloquently encourages you to accept completely His grace and forgiveness as well as extend the same blessing toward others.

"When grace happens, generosity happens. Unsquashable, eye-popping big heartedness happens. Receiving grace today? Liberality is in the forecast for tomorrow. When you meet a bountiful person, you are standing where grace is happening."

Christine Hayes says

Inspiring and thought provoking. A must read

Jennifer Summers says

Grace

This is a collection of several good writings from Max Lucado. Reminders to give grace like we've received it are always welcome in my world.

Kellye says

This is really a compilation of other Max Lucado writings on grace, but I enjoyed it. Max isn't theologically super deep or difficult, but while on vacation, a morning reminder that wherever I'm standing I'm standing in the midst of God's enormous grace...well, not a bad way to start my day. This is the Kindle version of the book, and I thought they did a particularly good job of keeping the graphics in sync with the paper copy of the book. Nice little read.

Melanie says

Grace Happens Here was a nice devotional. I loved the quotes and pictures throughout the devotional. There were some really good points and I loved the way it was all about grace. It wasn't a deep read, but I liked it. I definitely recommend the print version, as that makes the format easy to read and pretty.

Jennifer Robb says

A collection of quotes and stories about God's grace. I enjoyed the stories most of all the things in this book.

Jim says

Max Lucado is my favorite author of Christian books. I love his simple, down-to-earth writing. There's no complex theology, just a straightforward, inspirational message told through a bit of scripture and some illustrative anecdotes.

In "Grace Happens Here," the message is that salvation is the result of grace and grace alone - it can't be earned. Lucado compared grace to a spiritual heart transplant, giving life to a dying person. One of the most poignant stories in the book involved a heart transplant patient who had received the heart of a young lady killed in an accident. The young lady's mother later met the patient and was able to hear her daughter's heart beating in another body. Lucado wrote, "And when God hears your heart, does he not hear the still-beating heart of his Son?"

Throughout the six chapters, the message was consistent: God's grace is undeserved and cannot be earned. It's God's unconditional, freely given gift to us all. Lucado's storytelling style was ideal for the book. A story about a BB gun was used to show how Christ paid for our sin. Another story that came from the classic novel *Les Misérables* demonstrated how grace can change people for the better. One of the most fascinating anecdotes was how an artist turned junk from the largest garbage dump in Brazil into art treasures. And the familiar story of the prodigal son was used to express the meaning of forgiveness and grace. The son had not earned forgiveness, but his father gave it unconditionally because of his love for his son.

Lucado wrote, "Because God has forgiven us, we can forgive others." The stories used to illustrate forgiveness were remarkable for how deeply someone could be hurt by others and still find forgiveness in their heart. In the most dramatic story, a woman who was almost killed by a teenager's irresponsible prank forgave the youngster and asked the courts for leniency.

With "Grace Happens Here," Max Lucado has delivered another inspirational message in his own unique style, one that gets the message across simply and unequivocally without being preachy or heavy-handed.

Note: I reviewed an advance reader copy of the book made available by the publisher through NetGalley.

Cindy says

I loved this easy, quick to read book. It is filled with wonderful messages of God's grace. "Grace. Let it so seep into the crusty cracks of your life that everything softens. Then let it bubble to the surface, like a spring in the Sahara, in words of kindness and deeds of generosity." A beautiful reminder of how each of us has the power to simply change the world!

Jams says

Max Lucado knows grace in a staggeringly real way. I hope to learn from his faith and knowledge.

Barbara Burd says

This is a lovely little devotional book. In his inimitable style, Lucado tells little stories of grace to inspire, comfort, and encourage. God's love shines through.

Alecia says

Max does not just write books he teaches or preaches however you want to look at it. He makes it simple enough that you never have to ask questions. His books really minister to my heart and helps me be the person I know God wants me to be. If I were talking to him I would just say "Thank You" for being an instrument for God to use.

Debby Rose says**Very inspiring**

Very inspiring. Excellent source for meditation. Can be read again and again and something new will be gained each time. This book and grace are wonderful gifts.

Ruth says

This was a short read which tells how God's grace changes us, shapes us, and leads us to a life that is no longer the same. A major theme presented was that the "grace given" are themselves "grace givers". Lots of Bible passage references and reminders of things that you already know but might need to be reminded about.

Karen says**A good reminder that Grace surrounds the believer.**

This is a great short reminder that Grace abounds for the believer. Easy to read, good references for scriptures on Grace. Highly recommend.

Monica says**Good quick read**

This book is a good quick read for anyone who needs a pick me up. God showed us the greatest example of grace that could ever be. This book reminds us to show grace to others and gives short examples of others Jesus included showing grace.

Bau Yhang says

Amazing ! Just love it so much! Literally bought the book and it was incredible it helped me see things more clearly and it actually made me a lot closer to my religion. This book relaxed my mind through my rough times. I can't explain in words by how much I appreciate the author of this book.
