Healing the Wounded Soul: Break Free From the Pain of the Past and Live Again

Katie Souza

Healing the Wounded Soul: Break Free From the Pain of the Past and Live Again Katie Souza
Pain is NOT the end of your story.

Katie Souza was a career criminal, and after being convicted of a number of felonies, she was sent to federal prison to serve almost twelve years. While serving what would be her final prison sentence, Katie encountered God in a way that dramatically changed her life. She immediately became an outspoken advocate for Jesus, and her infectious love for Him caused many women inside her cell block to accept Him as their Savior.

Her story is a vivid demonstration of the desperate need we have for the healing of soul wounds—the often unidentified impediment that holds us back. Through this remarkable story and teaching, you will be able to find a pathway to healing and receive the blessings God is pouring out.

Betty Pitt says

Healing

This, along with being a Christian brings so much healing! I highly recommend this book and do intend to read it over and over again!

Karen says

I was a little slow to warm up to this book and sometimes I think Katie stretches some application of Scriptural references. Despite this the book is rich in strategy, new revelation, and Scriptural Word study.

Tabitha Roberts says

Most of this text was really good. I am a little skeptical about whether some of the information is actually doctrinally sound, and sounded a bit new age.

Marissa N. says

Healed

I believe, decreed, and know I've been freed by the power of the blood ??and the dunamis power of my resurrected King! Thank you Jesus and thank you Katie for being His vessel of truth and revelation!

Tere N. Saad says

God can transform your life.

The finished work of Christ in the Cross, the Blood of Jesus and the power of the Resurrection. Wow, get ready for a new life. Well written explaining how the above can rescue and redeem us. Interesting reading when she talks candidly about her own life. Explains spiritually the cause of our troubles and how to change it.
