**His San Diego Sweetheart (Millionaire Moguls)** Yahrah St. John

## Just say you will

Plenty of women have tried to capture the treasurer of the San Diego chapter of the Millionaire Moguls, Vaughn Ellicott—and his impressive bank account. When the former naval officer meets a gorgeous stranger in need of help, he surprises himself by offering her a mutually beneficial deal. Career-minded Vaughn tells himself that their business arrangement will get his family off his back. But suddenly that's not nearly as important as getting his beautiful new bride into bed...

Hotel manager Miranda Jensen needs to marry to inherit her grandfather's fortune. Now the perfect solution to her problem has become handsomely complicated. Between private evenings at Vaughn's lavish beachfront estate and glittering public events on his arm, she begins to truly fall for him in their pretend affair. And soon Miranda's no longer able to settle for less than love. Will Vaughn choose to turn make-believe into passionate reality?

DNF at 18%

1 month later and I still haven't picked this book back up. It didn't grab my attention from the beginning and the more I tried to read it, the less I was feeling it. I did not believe the main characters had that kind of fire attraction. It didn't come off the page that way. I'm glad the "mistaken identity" wasn't dragged out but I wasn't interested enough to see how things turned out for the H/h. Anyways...I tried. I struggled. I gave up. The End.

**Good Book**

This was my first read by this author and I enjoyed. The story held my attention throughout and I will look into more from this series.

---

**Matysha says**

This was a good marriage of convenience to love match story! It was a pleasure watching both Vaughn & Miranda fall for each other. In addition to the pretty love story Yahrah St. John exposed us to an attack against the San Diego Millionaire Moguls; I can't wait to see how the mystery unfolds in the next two stories. Ms. St. John has definitely set the stage to keep readers guessing and what a stage that is. Job well done to the author.

**Enjoyable!**

This was an enjoyable, romance read. While the premise of this story made it a little predictable, the underlying millionaire mogul /Prescott George situation was a great added aspect to this read. What I was less enthused about was that some of the story lines seemed incomplete. While I expect the Prescott George story line to run through all the books about this branch I felt that there were parts of Vaughn's and Miranda's stories that needed more. I look forward to the next installment.

## **L says**

It was ok.

The characters were interesting and believable. The storyline was ok, at times

It could have move along a little faser. Overall, I liked the book.
