This volume was somewhat like an Oprah giveaway..

You get a Master Weapon! And YOU get a Master Weapon! YOU ALL GET MASTER WEAPONS!!

But, hey, gotta prepare for the final confrontation with the ultimate evil. Way to go with all your leveling-up, guys.

This volume gave some more insight into Mitoku and Sango's relationship. Also, Sesshomaru finds himself having to deal wth his daddy / brother / sword issues. Once he finally came to terms, the result was amazing! Through all of this and still fighting Naraku, Shippo gets to take exams of his own. I am really looking forward to the next and final volume of this story. It has been a wonderful ride. Bakusaiga!
