Brenda Trim & Tami Julka continue the Dark Warrior Alliance Saga with more action, adventure, romance, and steamy sex scenes. Jace is a Dark Warrior and a sorcerer with a dark past that haunts him. Cailyn is a conflicted young woman with her own unique gift whose sister happens to be mated to the Vampire King. Ever since her sister's ceremony, Cailyn can't get Jace out of her head, and she can't determine if the feeling is mutual, but when demons and skirmish begin abducting women, Cailyn is thrown more deeply into Jace's world. He must face his past, and she must decide her future, all while facing down dangers, both familiar and unexpected.

One of the reasons I really enjoy Mystik Warrior is that the characters continue to be developed with details from their past which can both surprise readers and shock them, but which again makes the characters more realistic and ones audiences can sympathize (and occasionally empathize) with. The dilemmas they face in the present may often be of the supernatural variety, however, mundane human life problems are at the forefront - pain, friendship, family, lust, love, insecurity, loss - which only serve to strengthen readers' ties to the characters. Additionally, the writers continue to give more glimpses into the thoughts and actions of other individuals in the Dark Warrior household, creating more dynamic interactions that leave readers curious about their stories, too.

On a side note, one reason I especially like Cailyn is that she does not conform to many people's idea of the "perfect" female protagonist: "Cailyn carried an extra ten pounds, which only added to her insecurity" (Chapter 5), but that also adds another layer of "realness" to her, for me, and I appreciate the spectrum of body types, abilities, and insecurities Trim & Julka instill in their characters (along with the steamy sex scenes and engaging plot twists).

As with the previous novel, my disclaimer holds that these fabulous reads are best for audiences ages 18+ due to some scintillating and descriptive sex scenes but also due to the inclusion of other highly mature content.

Almost 4 Star's. (3.7 Star's)

Jace and Cailyn's story.

Beneath the abundance of some very mature content, you will find yourself within a world filled with Demon's, Evil Fae, Lol Trolls named Elvis & Priscilla, Shifter's, Sorcerers, Witches and Vampire's.

I may have given this Bk only a 3.7 star review, but I'm still intrigued by what may happen next and will continue with Bk3, as I've found this Bk better than the last, and am hoping this set's a trend, with each consecutive Bk only getting better.

WTH! Kyran, Really!

No matter what happened in the past, there should be no get out of jail, no pass go, no collecting \$200, without first paying for the consequences committed against an innocent.

Please let there be some sort of justice, that's more then a foot note in the next bk.

When you are immortal, being imprisoned for decades is not beyond belief. Punishment and torture of such a being would more radical and it's effect could indeed last for centuries.

This is the basis of this tale, that Jace still suffered I'll effects from the treatment of Lady Angelica, and intimate relationships had been impossible over his long lifetime. His fated mate may be the key to his salvation.

You need to read the full story, to get the impact of this new relationship between Jace and Cailyn, all they weather together.

Lots of magic

I really like that the core group keeps growing. I'm kind of anxious to see what happens next. Cailyn is the sister of Elsie and she is the fated mate of Jace. Jace has not recovered since his abduction. He feels inadequate and wants something more for Cailyn. I liked that it was a different scenario because having the same one over and over again becomes redundant.

Gea says

Normally I only read about women getting nauseous so this is new, in a good way.
Immortality isn't all that great if you have to live with something like that, and drained powers too.
There's so much in this book, so many stories of the main characters, but not too much.
I really like that Cailyn still goes after what she thinks is right, beside all the doubts about John and the strong pull to Jace.
All the magic is great too.

Second book in the totally awesome and kicka** series. Tons of action, Magic, good vs. evil, gorgeous as hell men, women that can kick but and some hot scenes. What more could you want from a paranormal romance story? Highly suggest reading book one so you can fully enjoy this series.

He has a messed up past. She was engaged but after just seeing him she can't get the man out of her mind. Put in some life and death situations and fate will make sure they know who they were made for.

A must read that I couldn't put down.

In love with sorcerer

This is a second book in the dark warrior series. A born sorcerer with tortured past finds his fated mate in the sister of his vampire King's mate. The battle against the darkness wages on but the fated love is a bright light that will overcome all the darkness. Another great story in the series although first one was slightly more to my taste. Great story, action, heated romance, the story has lot to offer.

Another great entry in the realm of the Dark Warriors. Cailyn and Jace are on fire as they are drawn by the mating bond they can not resist. Damaged Jace needs healing and liberation from the spell of the evil witch Angelica. Can Caitlyn's love give him the power to undo the spell? Will she be willing to forgo her safe and normal life and embrace all this Warrior offers? Brenda Trim and Tami Julka tell an exciting tale not to be missed.

??????????

Mystik Warrior is book 2 in the Dark Warrior Alliance series. This is another Awesome book by Brenda Trim, &? Tami Julka. Mystik Warrior is full of romance, excitement, action and intrigue that features more great characters. This book has the ability to transport the reader into a exciting different world. I really enjoy reading Mystik Warrior it's a fabulous and amazing story. The characters are fabulous, captivating and magnificent. The pace of the book flows seamlessly from book one to the next book 2. This book 2 features the fated mates Jace and Cailyn. Jace is a gorgeous centuries old sexy sorcerer who is a doctor to the Warriors. But he believes that he doesn't deserve a fated mate after his being captured and torment and humiliated. Even after he escapes the prison walls Jace still has all of the scars that was left on him, which makes him closed all of his emotions off to love and acceptance. Cailyn is Elsie sister she is with her sister for her wedding. When she meets Jace. At this time Cailyn is engaged to John Which she breaks off because she can't stop her feeling for Jace. Allena says

WOW what a way to follow up a debut novel.

Jace's 100 year captivity has left him emotionally scarred and bitter. He is fighting the attraction he feels for Cailyn since he deems himself unworthy of her.

Cailyn's life was on track to happily ever after. She is engaged to a man she loves, has a great job and life in San Francisco and her baby sister is safe and happy. That all changes when she sees Jace for the first time, and her world as she knows it comes crashing down.

Can a damaged soul be fixed? Can Cailyn overcome her guilt? Will the Dark Warriors be able to stop the Demons advance on humans?

Great H/h dynamic, interesting plot line and steamy scenes bring this second book in the series to solid 4 star rating. Secondary characters add rather than distract and you will find yourself flipping pages to see what happens next.

Snarky Mom says

Wow. There is so much packed into this book that I'm not even sure where to start. I was afraid as I got into it that it was going to mirror the first book, where Elsie couldn't get past her dead husband, it seemed that Cailyn was going to spend the whole time trying to figure out if she could move past her fiance and explore the ties she felt to Jace. Then there was the issue of what happened to Jace when he was a prisoner to make him so dark and unwilling to acknowledge Cailyn as his Fated Mate. I will warn you now, however – if you are sensitive to scenes of troll sex, this is NOT the story for you! As you can figure out, there's some humor in these stories, some smexiness and lots of paranormal twists and turns! The characters – and I mean CHARACTERS – from the first book are back again, and the layers of the Tehrex Realm and the battle therein continues to build and leaves this reader anxiously awaiting the next segment of the story!

Susan Commeford says

The story continues well...

We are drawn even more into the realm with this story, full of romance and intrigue. The editing could stand improvement...mixed tense and words used improperly jar the reader out of the fantasy realm they are submerged in, leaving a sense of disgruntlement. Overall, however, the story is enjoyable and I will be looking for the next installment.
