The Daughters of the Promise Collection: Plain Promise, Plain Paradise, Plain Proposal Beth Wiseman

From best-selling novelist Beth Wiseman, three complete stories about living and loving plain in Lancaster County

Plain Promise—Winters can be brutally cold and lonely in Pennsylvania. Young Amish widow Sadie Fisher rejoices when a renter leases her guest cottage. Kade Saunders turns out to be impulsive, frustrating, and attractive—but romance with an *Englischer* is forbidden according to the *Ordnung*. Soon Kade is surprised with custody of a child he barely knows—his five-year-old autistic son, Tyler. Though their worlds seem far apart, Sadie and Kade soon find their hearts warming in the depths of winter.

Plain Paradise—Linda's Amish life seems like paradise. The bishop's grandson has been courting her and may propose soon. Then she discovers that she's adopted. Her birth mother, Josie, comes to town and Linda finds herself drawn to Josie's world. Meanwhile, Linda's adoptive parents and her Amish beau struggle to understand how this interruption could possibly be God's will. As new relationships begin and old ones are tested, no one's life will remain the same.

Plain Proposal—Miriam Raber could have her pick of any bachelor in Lancaster County, but she only has eyes for Saul Fisher. Even when rumors circulate that he may leave the Amish community to pursue a once-in-a-lifetime apprenticeship, Miriam makes a bold assertion: she will stand by him, whether he stays or goes. As Miriam and Saul consider leaving their lives behind, God starts revealing things to Miriam that make her think twice about what it means to be a Daughter of the Promise.

Gloria L. Kincer says

Wonderful series

Each of the three books stand alone. In fact I'm not sure which is my favorite. If you're unsure if you want to read these books I'd whole heartedly recommend them!

Christi says

Clean with good morals. Good story lines. My kind of book! I love that the first two books show people pushing themselves to become better than they are, especially under trying circumstances. I appreciated the introspection. The third, I thought, kind of pulled away from that. I appreciated that the young man was appalled when she sneaked out to meet him and that he wouldn't see her that way. Although she was trying to follow those things she thought she should do, I didn't think her rebelliousness was the correct way to get there. In essence, I loved the first two far more than the third.
