Png says

I only read Snow Maiden and it was a sweet, romantic quick read.

Mollie *scoutrmom* says

I just finished reading the first story in the “A Hero’s Kiss” anthology, “The Founding Father” by Diana Palmer. I’m sorry I wasted any time with this story, it was not up to her usual quality. I usually love Diana's work, but this one left the characters underdeveloped, at times they seemed like skeletons to me. There really was not much of a plot, no conflict to resolve. I did like the cast of secondary characters, though they, too, were not developed. The single "love scene" where the marriage is consummated is covered in half a paragraph. How is this sold as a romance? Her editor should be smacked for allowing this to be printed. Her agent should be ashamed. I could have done better in fifth grade. Back to the library it goes. Thank goodness I did not spend any money on it. Well, at least it did keep me out of trouble while dinner was in the oven. I wish I had used the time to scrub a toilet or take out the garbage. How’s that for a scathing review?

Bart says

A nice easy read. The three short stories are cute.

Sandra (bookjunkee) says

The Second story was great loved it !!

Joy says

Three short stories in 376 pages and the problem with short stories is the lack of depth available to the author.

Not bad, not memorable either.

Homens do Texas 27
O Fundador

Diana Palmer

Ante de começar, tenho que agradecer a Suelen Mattos nossa expert em Diana Palmer e as meninas da Tiamat-World pela tradução, essas garotas fazem um trabalho muito lindo e muito competente, PARABÉNS PRA TODAS!!!

Sou fãs das meninas!!!

Devo admitir que O Fundador entrou entre os meus favoritos da Diana Palmer. Adorei a estória do precursor da nossa querida Jacobsville.

E pra quem reclama das mocinhas bobinhas, com certeza vai adorar Camellia Ellen, um personagem que tem uma transformação fascinante no decorrer da estória. De garota rica e mimada, para uma esposa batalhadora e determinada.

E o maravilhoso Big John com seus lindos olhos verdes, que homem!!! Logo no início, ele já percebe a personalidade e a mulher “primitiva” que Ellen pode se transformar, e assim, ela vai deixando de ser a filhinha do papai.

É fascinante, apesar de ser um livro curtinho.

Talvez o que mais me atrai-a neste livro seja o fato dele ser o início de tudo.

Outra coisa que marca pra mim, e o pano de fundo, as cicatrizes que a História Americana, deixou tanto no povo do norte como o do sul, com o fim da guerra entre essas duas regiões.

De uma forma muito delicada Diana Palmer, nos mostra, o que o povo americano passou para desbravar o Texas, transformar essa região árida, num lugar habitável e um dos Estados mais prósperos do país.

Ainda espero, como a Diana prometeu, a estória “de um guerreiro comanche com uma mulher loira e cinco filhos, dois dos quais também são loiros”. Promessa é dívida...rs.

RECOMENDADÍSSIMO!!!!

ADORO!!

Debra McEathron says

This has 3 short stories about finding love in small towns in the 1800's. The authors did a great job with the characters.

Danielle says

I loved the founding father's story as well as the other authors stories.
