## A Glimpse Behind Palace Gates

The Barrali family has seen its share of scandals. But what of those who work for the famous royals? This collection of three romantic holiday tales takes you to the Barrali winery, an elegant royal yacht, and through the palace's secret garden to experience the passions of those who serve.

# **From Reader Review A Royal Scandals Christmas: Three Holiday Novellas for online ebook**

**Andrea Akers says**

## **Royal Scandals**

Three wonderful novellas each a complete love story about three different couples who are employees of the palace. Each couple with their own backgrounds and difficulties but each who love each other unconditionally.

**Mavi Santacruz says**

## **Cliché**

This is just not my cup of tea. It's a little bit too cliché. Positive: good transition, writing and characters. Unrealistic plot. I got it because it was before Christmas and I wanted to read something according to the holidays and that felt really good. It felt like my fantasy world and the reality were synced.

## **Enjoyable**

This was a new author to me and I fully enjoyed reading these 3 novellas. Ill definitely be looking for more books by this author

---

**Kym says**

Wonderful stories highlighting characters working for the royals, rather than the royals themselves. All heartwarming and perfect for the holidays!

## **Good read**

Still a very good series. I have read most of the books. Quality stay high. Some I like more some less. Good to read about some of the support people. Thanks for the good read.

### **Each story was great**

Yes the royal family played parts in helping their employees to find it rekindle their love lives during the Christmas season.

---

## **Chanel says**

For some reason I don't read many Royal Romances, even though I do enjoy real Royal Weddings, Babies, and the historical aspect of royalty. I selected this Trio as it was a Free book deal, and thought it might be fun for a change. Well, I am to report it was fun, and I enjoyed reading these three Holiday Semi-Royal Novellas-- Semi, as the main characters were the staff of the Royal Family, not members of Royalty. Over-all 3.75 Stars.

### **A Royal Scandals Christmas**

This book contains three mildly romantic tales featuring friends and employees associated with the royal family of Cateri. The characters are relatable. The narrator did an excellent job portraying each. I was not distracted with the dialog.

---

## **Debby says**

Fun trio of novellas about the royal Barrali family's employees. All three stories have employees who left behind relationships to give their loyalty to the family and at Christmas time are reunited and given a 2nd chance. Not squeaky clean, but fun stories to supplement the main series about the family.

---

## **Melanie Marnell says**

Three love stories involving employees of the royal Barrali: the sister of the head of Familia Barrali's winery

dining operations; the royal yacht's chef, a palace carpenter; and the former head of Princess Sophia's security and the overall head of palace security are in this book. Each tale is about rekindling an old romance that never really died though the parties were no longer together.

### **Cary says**

I enjoyed each of these novellas and their happily ever afters!

#### **A lovely holiday read.**

They are just the right length to travel with. The focus is on reconnecting with past loves and correcting misunderstandings.

---

### **Evelyn B. says**

#### **Quick but fulfilling**

These three short novellas tie in each of some of the beloved staff of the Barelli family series while still adding to each story of the family. Well written for novellas, fulfilling and fun.
