*This review was originally written for The Baby Bookworm. Visit us for new picture books reviews daily!*

Hello, friends! Our book today is *Good Night, Mr. Panda* by Steve Antony, a wonderful fourth entry to one of our favorite series.

The hilariously taciturn Mr. Panda is back – this time in adorable doughnut pajamas – with a lesson in proper bedtime routine etiquette. He notes, matter-of-factly, when his fellow animals have skipped a step: Skunk has missed his bath (which he claims to take only once a year), the sheep aren't wearing pajamas, and stinky breath is a sure sign that Hippo hasn't brushed her teeth. The perky lemur from the previous two books is happy to point out that he is minty fresh and squeaky clean! Only one more thing left to do before bedtime: say goodnight!

If you've read our previous reviews of this series, you know: I LOVE Mr. Panda. JJ LOVES Mr. Panda. The stone-faced bear in his wonderfully colorful outfits, set with a lively cast of characters against colorblock backgrounds, teaching manners and, in this case, good hygiene? Simply put, a winning mix. As always, the story features plenty of opportunities for fun voices when read aloud, and a hilarious twist ending that will have kids rolling. The length is great, and we adored it. Antony continues his stellar series with another delightful installment, and a perfect bedtime one at that. Baby Bookworm approved!

Be sure to check out The Baby Bookworm for more reviews!

### Francis Thibeault says

Un beau petit album qui évoque de manière humoristique les étapes essentielles à réaliser avant d'aller se coucher (pyjama, bain, brosser les dents...). Le tout termine sur une note comique bien sympathique!

---

### Beth says

Mr. Panda is such a lovable curmudgeon.

---

### **Lara says**

Not my favorite in the series, but still a fun little story with grumpy Mr. Panda and his other black and white animal friends. Love how striking the artwork is in all of these books. Really loved Mr. Panda and the hairdryer!

This is a great one for bedtimes, running through all the different routine tasks we do before bed. It could be a good story time book for bedtimes too, or for including in a Stuffed Animal Sleepover.

---

### **Courtenay says**

Meh. As someone who absolutely adores pandas and actively seeks anything with panda characters, I'm not sure why I keep coming back to this series. I don't especially like Mr. Panda nor have I really enjoyed earlier books. I think I chose to try the English / Spanish version more to beef up my Spanish practice than anything else.

#### **Uwa?ajcie na suszarki!**

“Dobranoc, Panie Panda” to cz??? adresowanej do najm?odszych serii z sympatycznym nied?wiadkiem w roli g?ównej. Autor zabawnej formie zapoznaje ma?ych odbiorców z podstawowymi poj?ciami z zakresu kindersztuby, emocji czy kolorów. Ten tomik to klasyczna „usypianka”.

### **Meg McGregor says**

A wonderfully humorous story, featuring the lovable grump, Mr. Panda!

Mr. Panda is quickly becoming one of my favorite characters in Pre-K and K literature!

This story is also a great way, to make sure the little ones, are all ready for bedtime!

---

### **zapkode says**

{My thoughts} – A cute little bedtime story for children. It helps to remind them of all the things they should be doing while getting ready for or right before they go to bed. I like how the words and the illustrations go together so nicely.

I think that any child could learn to enjoy having this book incorporated into their nightly reading routine. I could see it being used as a type of check list.

---

### **Scottsdale Public Library says**

Another great Mr. Panda story that reminds the child, in a fun way, the things to do before bed. An added bonus, the adult reader will get a chuckle out of it too. - Megan G.

---

### **Alisha says**

Another great entry into the Mr. Panda series. Mr. Panda reminds all of his friends what they should do to get ready before bed. Great for toddlers or preK kids.

---

### **Abigail says**

The irascible Mr. Panda returns in this fourth picture-book devoted to his adventures from British author/illustrator Steve Antony. In this latest installment of the series, our ailuropodine hero's friends each bid him good night, only to be reminded of some bedtime task they've forgotten. In each case, the animal(s) in question clarify why that task isn't for them. Eager Lemur, in the meantime, keeps insisting that he HAS done each task, eventually reminding Mr. Panda himself of something he has forgotten...

Like its predecessors, Good Night, Mr. Panda pairs an engaging, humorous story with bright, appealing artwork. Here the emphasis is less on good manners, which is the overriding theme of the first three titles - Please, Mr. Panda, I'll Wait, Mr. Panda, and Thank You, Mr. Panda - and more on the activities of bedtime. The humorous responses of the various animals - skunk only bathes once a month, sloth is too tired to go to bed - will keep young reader/listeners entertained, while the conclusion, in which it is Mr. Panda who forgets something, and then makes a mistake, will end the tale on an amusing note. Recommended to fans of Mr. Panda, and to anyone looking for engaging bedtime books for the picture-book set.

---

### **Christina Reid says**

I have only read this and the first in the series. I like them but am yet to be converted to a die-hard fan! The animals in pyjamas were cute, but I don't know how this book would stand up to repeated readings.

---

### **Megan - Alohamora Open a Book says**

I liked it better than Thank You, Mr. Panda. It's a cute story that reminds kids what needs to happen before bed. If you were doing a pajama storytime this one could work well. You may be able to swing it for another storytime as well.

**Cindy Mitchell \*Kiss the Book\* says**

Good Night, Mr. Panda by Steve Antony. PICTURE BOOK. Scholastic Press, 2018. \$17. 9781338275957

BUYING ADVISORY: Pre-K, EL (K-3) - OPTIONAL

AUDIENCE APPEAL: AVERAGE

Mr. Panda is getting ready to go to bed. As he says good night to his friends, the only one who seems to have taken all the steps too is Lemur.

Why don't I understand the charm of Mr. Panda? This the best of the ones I have read – its charming and doesn't have the sarcasm that ruined the others for me. I always love the illustrations! For me that is Antony's strength.
