**My heart is as hard as my c\*ck.**

The day my wife left me, I swore I'd never love again.

I'd do one thing and one thing only: F\*ck and leave.

F\*ck and leave, f\*ck and leave, over and over again.

Like a prayer, like a mantra.

As long as I could bury myself in some pretty little thing,

I could ignore the carnage she'd left in her wake.

But life has a funny way of forcing you to face that which you least desire.

A chance encounter, a woman in need of my help...

And of course, who is it?

Her.

That fickle b\*tch.

That heartless whore.

I want to do to her body what she did to my heart:

Tear, plunder, destroy.

I want to wrench her hair back and make her scream my name.

I want to leave the imprint of my hand on her flawless skin.

I want to own her completely.

But she has shadows following close behind her.

Men who hunger for repayment in flesh.

They want her as badly as I do.

I have only one thing to say to them:

Too damn bad.

*I will not rest until my lust is sated.*
