The Boys, Definitive Edition V

Garth Ennis

The Boys, Definitive Edition V Garth Ennis

In a world where costumed heroes soar through the sky, The Boys make sure the "supes" don't get out of line! Garth Ennis and Darick Robertson proudly present four of their most explosive storylines, collected in a gorgeous hardcover package, complete with a slipcover! In "Proper Preparation and Planning," team leader Billy Butcher re-examines The Boys' first encounter with their superhuman opponents, while handling disquiet among the ranks and an old enemy who's come into his own. In "Barbary Coast," down-on-his-luck everyman Hughie uncovers the grisly truth behind the first superhumans to take action in World War II. In "The Big Ride," The Boys face the powerful and perverse threats, Jack from Jupiter and Doctor Peculiar. And in "Butcher, Baker, Candlestick Maker," the true story of The Boys' mysterious leader is told at last! From the backstreets of London's East End to the carnage of the Falklands War, from the heights of love to the depths of tragedy, the most violent man in comics reveals the terrible nature of the forces that drive him. Collects eighteen chapters from The Boys' comic book saga, including issues #48-59 plus the complete six-issue spin-off series, Butcher, Baker, Candlestickmaker. Bonus material includes an extensive cover gallery, featuring gorgeous artwork by Darick Robertson.

Lexxi Kitty says

Cutting down on the number of titles I have for Ennis - since some of this I read in individual issues, some in volumes - might as well combine volume 9 & 10 since it appears to be the same 'stuff'.

I rated volume 9, The Big Ride, a rating of 1.50. Read it back in December 2011.

I rated volume 10, Butcher, Baker, Candlestick Maker, a rating of 0.5 stars. Read it back in Jan 2012.
