Unconditional love is eagerly promised at weddings, but rarely practiced in real life. As a result, romantic hopes are often replaced with disappointment in the home. But it doesn't have to stay that way.

The Love Dare, the *New York Times* No. 1 best seller that has sold five million copies and was major plot device in the popular movie *Fireproof*, is a 40-day challenge for husbands and wives to understand and practice unconditional love. Whether your marriage is hanging by a thread or healthy and strong, *The Love Dare* is a journey you need to take. It's time to learn the keys to finding true intimacy and developing a dynamic marriage.

This second edition also features a special link to a free online marriage evaluation, a new preface by Stephen and Alex Kendrick, minor text updates, and select testimonials from *The Love Dare* readers. Take the dare!
