**Crack open the ultimate Hatchimals Colleggtibles guide!**

Featuring bios and information about each individual Colleggtible, this is the go-to source for these small, collectible Hatchimals. Colleggtibles are mini plastic creatures in tiny eggs that kids can hatch, revealing a hidden character inside. By rubbing the purple heart on the shell until it turns pink, kids get the egg ready to hatch and can then crack it open. Whether it's a perky Penguala or a daring Draggle, the fun begins before a Hatchimal even breaks through its egg! Who will you hatch?

This guide includes an adorable poster perfect for every colleggtor!
