Classics Reimagined, Grimm's Fairy Tales Wilhelm Grimm , Jacob Grimm , Yann Legendre (Illustrations)

The classic fairy tales of The Brothers Grimm are now re-imagined through the deft illustrations of internationally recognized artist Yann Legendre, in *Classics Reimagined, Grimm's Fairy Tales*.

French artist Yann Legendre takes readers on a beautiful journey through the classic stories of the brothers Grimm with his superbly illustrated insight. These stories take on a whole new meaning when accompanied by Legendre's **mystical, colorful interpretations**; you've never seen illustrations of **Cinderella** or **The Frog King** like this before! Light a fire in the fireplace, get cozy with a blanket in your favorite chair, and enjoy this collection of the best known fairy tales out there.

The Classics Reimagined series is a library of stunning collector's editions of unabridged classic novels illustrated by contemporary artists from around the world. Each artist offers his or her own **unique, visual, interpretation** of the most well-loved, widely read, and avidly collected literature from renowned authors.

Jennifer Wiget says

the artwork is absolutely gorgeous and there were some fairytales i've never heard of before.

Fiona says

I received a copy of this from a Goodreads giveaway.

There are some fairytales in here that are probably very familiar to most people, but even in those fairytales are little details that may still come as a surprise. About half of the fairytales were new to me, some tales were slightly familiar, while some have been retold often.

What really adds to this book and makes it worthy of adding to a collection are the illustrations. Yann Legendre's illustrations are amazing. In one illustration, the branches and leaves of a tree also form a woman's face, making you take a second glance. Lance Rutter's ornaments and borders also add some great details. It's obvious that a lot of work has gone into the visual aspect of this reimagined collection of fairytales, and I love it. The design of this book is eye-catching and really would look great on any bookshelf.

I would have given this five stars but in my opinion there were some problems with the editing and flow for some tales.

Frances Marshall says

My teenage friend who devours mythology, sci-fi and fantasy said this book is a very good retelling of the old stories. He was quite impressed with the illustrations.

Shane says

Loved this!

Quarto Publishing Group says

I love the illustrations in this book - they really help you envision Grimm's tales. And the book is full of stories you are familiar with from Disney.
