## **Commando** Lindsay McKenna

Jake Randolph was no stranger to peril. As a mercenary, he'd faced danger and walked away unscathed. Yet, as a man, he'd confronted love--and lost much more than his heart. But his latest assignment, locating beautiful Shah Sungilo Travers, reminded Jake of what was missing in his own life.

Shah had traveled to the Amazon to escape unwanted male attention. However, Jake's determination to keep her safe was quickly wearing down her resolution to lead a secluded life. Jake claimed the jungle was no place for her, but would Shah be any safer in his arms?

## **Morgan's Mercenaries:**

Three fearless men who've been to hell and back. Now they're about to fight the toughest battle of their lives . . . love!

## **Marilyn says**

I awake all night to finsh this book it was soooooooooo good! Each book I read of Ms. McKenna I enjoy her stories and writing style more.

## **Michelle says**

Boring and pedantic. Sorry, but the dialog was stilted abs too sickeningly sweet. The emotions and characters issues were drawn out add nauseum. It was ok, but didn't really good my interest.

## **Hildegart says**

These early books in the Morgan's Mercenaries are enjoyable books and I like some of them better than the newer books.
