Help your children grow closer to the Lord with *Every Day with Jesus*, the first devotional for children from beloved pastor Dr. Charles Stanley. Each devotion is based on the same themes as those in Dr. Stanley's bestselling devotional for adults, *Every Day in His Presence*. These coordinated readings help families grow together in their faith.

In his first-ever devotional for children, Dr. Charles Stanley takes to young readers his message of spending time each day with Jesus to develop a strong faith.

*Every Day with Jesus* is seamlessly coordinated with the devotional for adults, *Every Day in His Presence*, so adults and children read the same theme and Scripture each day. ### **Amanda Tero says**

I have enjoyed the adult devotional books by Charles Stanley, so when I saw this children's daily devotional available, my interest was piqued.

The book is sturdy, colorful, and attractive. There is one short devotional per page that takes less than five minutes to read.

Each devotional begins with a verse, gives practical application, then ends with a one-sentence prayer and challenge for the day. The devotional covers topics such as trusting God, forgiving others, reading the Bible, believing God, doing the right thing, and more. It is written in a way that is very easy for children to understand.

Personally, I find the devotionals best suited for children 3-5. However, they could very easily be expounded on for children a little older, and lead the way to have good discussion about what various verses and commands mean.

The Scripture verses used are primarily from the International Children's Bible, and I prefer to stick to the King James (yes, even for children). From the devotions I read, it would be easy to read the verse from my own Bible and the lesson still apply.
