Ghost Wanted Carolyn G. Hart

Ghostly gumshoe Bailey Ruth Raeburn of Heaven's Department of Good Intentions is checking out a troubling disturbance in Adelaide, Oklahoma. But what seems at first like simple vandalism won't be an open-and-shut case...

Bailey Ruth's supervisor, Wiggins, is worried about a dear old friend. The ghost of elegant Lorraine Marlow haunts Adelaide's college library. Known as the Lady of the Roses, she plays matchmaker, using the fragrant flowers to pair up students. But someone's making mischief after hours, leaving roses strewn about the library, destroying a gargoyle, and stealing a valuable book. Concerned with Lorraine's reputation among the living, Wiggins dispatches the irrepressible redhead Bailey Ruth to investigate.

Soon after her arrival, trouble begins to stack up. A campus security guard is shot by an intruder, and Bailey Ruth uncovers a catalog of evidence blaming a student for the crimes. As a ghost, she may not be all there, but even Bailey Ruth can decipher that something isn't adding up. So with police preparing to make an arrest, the spirited detective must race against the clock to find the real culprit, because when justice is overdue, it takes more than death to stop Bailey Ruth Raeburn...

Lisa Ks Book Reviews says

This is the first book I've read in the Bailey Ruth Ghost Mysteries and before I started GHOST WANTED, I wasn't sure if I would be able to follow it. I was afraid I would be lost. I had no need to worry. On page two, author Carolyn Hart started filling me in on what I needed to know, and it was a fun ride from there.

When I first heard of this book, I assumed it was another book where the protagonist was befriended by a ghost. I had no idea the protagonist was the ghost!

This book was an excellent mystery, told from a view point I've never read before, which only served to make reading it more intriguing and irresistible. Ms. Hart's writing is flawless and kept me captured in the story straight through to the thrilling conclusion.

Rather you're a fan of mysteries, suspense, or paranormal stories, Ghost Wanted is a title you want to add to your reading list.

You can pre-order it now for the October 7th release date. And if you haven't read them yet, pick up the other four books in this series, Ghost At Work, Merry, Merry Ghost, Ghost In Trouble, and Ghosts Gone Wild. You're going to want to own every title!

Ann says

I love this series. The mystery itself was good. Bailey Ruth's interference was not very believable, but the stories told were worth suspending disbelief to me. A love story from the trenches of World War I combined with a current day mystery made for a fun read!

Sandra says

Fluff.

Mandy Burkhart says

A little different from some of the other Bailey Ruth books. I love the idea of the Department of Good Intentions, but I must confess I didn't love this one as much as I enjoyed some of the others in this series.

Marilyn says

Around the Year in 52 Books 2018 Reading Challenge. A ghost story.

Wiggins sends Bailey Ruth to her favorite place on Earth once again, but this time it is personal and we learn a lot more about him. The legacy of Lorraine Marlow is being tarnished by someone causing problems. Wiggins would like for Bailey Ruth to talk Lorraine into finally coming home to Heaven, but in the meantime, he wants her to discover who has been causing problems in the college library. Bailey Ruth and Lorraine end up working together to catch a murderer and save a young woman. Wonderful!

Jenn says

Interesting story about ghost/heavenly helpers who solve crimes and right the wrongs.

Brenda says

I've enjoyed Carolyn Hart's Death On Demand series so I thought I'd try another of her series. I have to say, I'm not such a fan of this one. Perhaps I am just used to the way the other series is written and flows but, it also seems much more plausible than this particular series. I didn't dislike this book but I didn't love it enough to continue with the series. I will just wait for the next Death On Demand book to be released :)

Hali Jacobs says

I still love this character. Every book she is in is really great.

Melody Kitchens says

I liked this book's view of heaven. A place where you get to be with your loved ones and are your favorite age forever. I also loved the main character's heart, she was always trying to help people. Like with Rachel (I think that was her name), she believed she was innocent and didn't kill the security guard and therefore helped them crack the case. The talking picture reminded me of something out of Harry Potter and was pretty cool. Overall I liked the book, but there were some slow parts and some of the characters were a little hard to distinguish from each other.

Anna says

3.75 Nothing profound here just a delightfully silly mystery in Carolyn Hart's best style. I wonder reading this series, what would happen if Bailey Ruth ever did follow all the precepts.

Harry Lane says

Bailey Ruth is a bit of an outre creation, what with her concern for fashion while sleuthing. And you would think that being able to be invisible, and to go from place to place instantaneously, the case would be solved in a trice. Hart is quite creative in making things hard for Bailey Ruth, but of course it all comes up roses in the end.

Pamela says

I've read the Bailey Ruth series from the beginning. I don't disagree with the comments that Bailey Ruth is vain but the mysteries are fun. I did figure this one out early, so no surprises. I needed a light, fun read and this filled the need. I'll be there for the next release.

Susan says

Another interesting one that deviated a bit from the standard plot of the first three. Bailey Ruth is sent down to Adelaide by Wiggins because his old friend Lorraine refuses to leave earth and is haunting the college library. When strange things, including vandalism, theft of a valuable book, and the murder of a security guard occur at the library and a young student is framed, BR and (eventually) Lorraine team up to help the girl and solve some murders. The Lorraine character is charming - BR has to show her how to use her 'ghostly' powers to change clothes, float through the air, etc. Another good fun read.

Ginia says

Fun, quick read. I love Bailey Ruth. She's so fun. This book is my favorite in the series so far.

Susan Webb says

I love Bailey Ruth! She is so funny and sincere and makes a hilarious ghost
