I love all the craziness!

Oowee those sex scenes tho.. yasss honeyyyy!!! Oan, A'raya needs to kick rocks, Gigi is wayyy to nice for me. I just hope they don't make Gigi regret her decision and she has to give them both the business. Flex got some nerves just like a man. I hope Millie find what he's looking for because I love me some him. Im feeling Stixx too and I hope he gets that old thang back. Gigi is a hot head and I hope she kick up the maturity and boss up and get back to her old ways but in a more laid back way without all the attention and having to get her hands dirty. Good read, and I'm so excited for pt 2. I can't imagine the craziness that's about to go down!!!

Breath Taking

Where do I start? Hydiea is lit with the pen man. The book was everything I could have imagined. What I love about her is she gets straight to point all while being detailed and thorough. The twist and turns keep you turning the page. The book was fast pace, but she kept a great story line. GiGi and Flex are amazing. She tied everybody together with such ease and poise. Hydiea never leaves you unsure or questioning her story. Hurry up with part 2 sis !

Taimeka Outlaw says

Fast paced...GIGI AND FLEX..just fall in place..Millie is a horn dog..and his wife wants the role..but hates having to audition or put in the work to be a freak for her man...Silence got played..or did he..The fact that Millie and Gigi have different daddies...and Stixx is the man with a plan...this story laid out everyone's roles..let's not forget the famous I'm pregnant..then half way to the doctor I lied ex...waiting on part 2

Team Flex?? I dunno ?????

Of course I loved everything about this book! The author never disappoints! I was not surprised about Stixx and Yvonne...I knew it was gonna be something like that! At first I was all team Flex, until the very last part of the book! Men always want to have their cake and eat it too! Maybe Silence will prevail. But that situation with GiGi and A'raya staying there....hmmmm....I don't know about that one home girl! She better think that one through a little bit more. I can't wait for part 3. I'm thirsty for more! I give this book 5 stars ?? ????????

Love

Five Stars! Gigi is an Ride or Die woman! Not many would hold a man down like she did. Flex may had left and started a new life he never forgot Gigi and vice versa for Flex. They may have been without each other for 10 yrs they still had the strong love for one another. I pray Flex let A'yania go so she can find love and happiness! I hope Gigi gets pregnant in the next book. I hope Nova A'yania get together! Loved this book! Hydiea continue to keep writing the books!

Yolanda Hunter says

The stirm is definitely coming

OMG I didn't realize this was the same Flex and GiGi from Trap queen seeing as thought Flex was suppose to be dead but anywho I'm glad Flex is back it's just a little to calm no major drama so I already know a ish load of drama is on the horizon. So is A'raya dad one if Flex enemies, will Millie lose his plug and cone under attack because he left the plugs daughter, will Yvonne and Stixx finally get a chance, will Silence betray Millie because of GiGi, will Flex and GiGi finally get their happily ever after. Will Yvonne and Anicka end up pregnant by Stixx. Good job Hydiea ready for part 2

Shameka says

I'm honestly shocked but very pleased ?

I can't believe that GiGi's mom are into thugs lol i can't believe she let stixx have sex with her again lol I'm also shocked at Flex's reaction to A'raya choosing to move on with Nova yes he practically raised him but after all they're in the same age group and if he love Gigi the way he says he does he'll let A'raya and Nova have each other it's fair game ?????

FLEX AND GIGI

It was good reading about Flex and Gigi again. Very well written story. Hydiea can really put some stories together and build some amazing characters. Couldn't stop reading because i wanted to see what was in store for the couple this time around. Of course more secrets were revealed and Gigi is more gangsta as ever. I love her attitude and she is definitely ride or die and doesn't hold back when it comes to her feelings. Flex has a lot of nerve with his actions towards A'raya. Anxious to find out what happens next with Flex, Gigi and the rest of the Toledo crew.

Jazmine Love says

Great Book

This book was really good. I love Gigi she definitely a savage and don't take any shit from anyone. Gigi and Flex deserves to be together and I love their relationship. Flex better get his ish together before he loses her cuz A'raya is not worth the losing the love of his life. The sex scenes in this book had me like omg. I can't wait for the next book to come out because I need to know what's gonna happen but I just have a feeling that Flex is gonna mess up with Gigi.

Marissa says

Greatness

This storyline was creatively crafted with a lot of surprises. Character development was uniquely developed. It wasn't a character that I didn't like. I recommend this five star read to all who enjoy drama and love stories. Hydiea delivered another hot one, can't wait for more!

Lasandra King says

GiGi and Flex

Man oh man Gigi...love her absolutely love her. She's my gangsta girl but a lady as well. I like Flex but I just don't like he flexing with Arayna. Selfish selfish selfish. Stixx is the man..idc idc idc. Just slanging dick everywhere but he still the man. This book was just awesome. From beginning to end you werw just drawn in to all their drama and not let go. AWESOME AWESOME book. Can't wait for part 2.

Treva Charleston says

Just recently added you on Facebook I really enjoyed Gigi and Flex story so far. Gigi ain't playing no games with Flex ass but really when she found out they Flex slept with his ex in there home I just knew she was going back to prison. I know I would've tried to kill both of them disrespectful mfs. She was a little too calm for me. Millie ass wrong be keep invite Silence to Gigi and Flex house too.

Takesha Davis-thomas says

Fire Read!!!!

Miss Hydiea came thru on this book. Flrx and Gigi reuniting was great. But i still dont like him from the first book. Although, i know they are on some Bonnie and Clyde ish he still aint no good. Now Stixx he is the new HNIC and i am digging him something tough glad you wrote him in. Now this miss Araya chick she would of been back on the first thing smoking back home. And Millie and his trifling wife Anicka is a match made in heaven for eachother dont break them up. Nobody should have to deal with their level of monogamy lol. Now with Silence please dont keep him silent for too long :). Waiting on book 2.

Storyline

Gigi and Flex: A Love Story by Hydiea Harris is a interesting and amazing story. I decide to take my time to reading this book. Hydiea does a good job. She's definitely a beast. Hydiea brings the street, drama, love and lust in this book. It's well written and it's a page turner.

I'm not going to say anything about this book. Gigi and Flex have been through in their life. They find their way to reconnect their friendship and lover at the same time. Both of them were playing fire and they don't know what they want to do with their lives.

I am not surprised about Stixx, and Yvonne. Yvonne is a something else. Gigi and Millie need to sit down and talk with Stixx and Yvonne about their secrets. Millie's wife is not a good person. She's the reason why Millie is acting the way.

I'm looking forward to reading the part two of this book. If you haven't read this book, please grab your copy and support your girl. You will not disappoint. It deserves five stars ??????????????????????

Good read:
