His Virgin Bride Sam Crescent

Kurtis is used to getting what he wants. Women fall at his feet, and he can simply pick which woman he wants for that night. Tillie Powell, however, is completely different. She has never fallen for his tricks, and she's not impressed by his wealth.

When he finds out that a guy he doesn't like wants her, Kurtis snaps. No one can have her but him. The problem is, he's also found out she's a virgin. Will Tillie believe he's interested in her rather than just popping her cherry?

He takes her away to his beach house for the summer where he propositions her. He won't try to take her virginity but she can experiment with him without fear of him spreading vicious rumors.

Can Kurtis turn Tillie into his virgin bride and make her fall in love with him by the end of the summer? Or will he be the one bad boy who can't be reformed?

It was a short and OK read. The premise was good but this could have been written better. The interest of the H was sudden even though he knew the h for 3 years. The writer tried to justify otherwise but was not very convincing.

The h at the start was not attracted to H and even thought that getting close to him may infect her with a disease then did an about turn in next few pages and was attracted to him.

The relationship felt rushed. The only thing that convinced me that they will last was the epilogue.

Jacqueline says

Like the other book I tried by this author, it was much too rushed. Decent writing, plotting fairly silly. It had potential as a new adult title but the author needs to take more time and tell a more complete story.

Here's the thing...

I really loved the story behind this book, and it would've gotten a much higher rating from me had the author taken a little more time for character development and letting the story unfold. But sadly, this whole story felt so rushed.

One moment the H couldn't stand the h and the next, once he's found out she's a virgin, he's acting all caveman and super interested. It all happened so fast it gave me whiplash from time to time, making me wonder if I accidentally skipped a few pages.

But I like the author, the ideas for her books are creative and things are easy to read - if only she would take more time and let situations unfold a little better for her characters.

Good story

This was a good story. Well-written and a times very emotional. A short new adult story that progresses pretty fast.

I hated the hero at the beginning,thankfully he becomes a better person!
The epilogue was amazing.

contain spoilers:

It starts with the H getting a bj from ow(i hate it when authors do that,it's disgusting to see H with ow) :/ and H is friends with h for like 3 years!

yeah you must be wondering why i continued it that's because they were just friends , nothing else ! h did not want to be with hero!

hero had asked her to date him when they first met but she rejected him. I think he just liked her that time no deep feelings whatsoever, so he moved on and continued screwing ow ! This did not affect h since she had no interest in him!

However when om showed interest in h, he realized that he has deeper feelings for her! He goes all territorial and has eyes only for h! When ow approach him,he rejects them ! The story goes on: hero making h fall for him and he convinces her that he can be faithful ! and yeah they live HEA ;) :P

Loved that Tillie didn't just sit around and wait for him! He wasn't exactly someone that she though of getting romantically involved with. Until Kurtis decided that he wanted her and tried everything in his power to make her see that he was the one for her.

Enjoyed it!

This book was not as bad as some I have read by this author. In this book you have a sweet girl with 6 older brothers, trying to find her own space in college. The hero a total manslut finds out that his favorite girl on hold was trying to have a life without him. In other words when he saw that other guys wanted the heroine he decides he loves her and has always loved her. Now if the author had not made the epilogue 10 years later then I would have not believed in their relationship had lasted.

This was not a great book it was not the worst but finds itself on the fence. It was not as hot because of the first scene the hero was ruined for me. Ah man! I hated hearing him have oral sex with another woman. It killed my pleasure of this book.

2.5 stars.

Please note she does make him use condoms. Smart girl.

Book 1 in The Bad Boy Collection.

Well written with great characters and a stable story line.

Not the sort of story I like. It was a bit young for me to really enjoy.

Αν και ε?ναι αρκετ? καλογραμμ?νο, δεν μπορ? να πω ?τι με εντυπωσ?ασε ιδια?τερα. Μια ερωτικ? ιστορ?α εξαιρετικ? κλίσ?, η οπο?α δεν κατ?φερε μ?σω του ψυχογραφ?ματος των ηρ?ων ?

ιδιαιτέρων συγγραφικόν στιγμὴν νὰ με εντυπωσιῇ. Το ζήτημα δὲν εἶναι ἀπλῶς νὰ διαβῇ κτὶ πρωτότυπο ἀλλ' κτὶ πού θὰ σε ἀγγίξει καὶ θὰ καταφῇ νὰ σου μένῃ στο μὲναι καὶ τὴν καρδίαν. Το συγκεκριμένο βιβλίο δὲν ἔχει τίποτ' ἀπ' ἢ ἀυτὸ γι στερεῖται πῶθους, ῥντασης καὶ ἐπιθυμίας νὰ γνωρίσουμε καλῶτερα τοὺς ῥωες.
