## My Boyfriend and Other Enemies Nikki Logan

*Tempted by trouble...*

The moment Tash Sinclair sets eyes on family rival Aiden Moore she knows she's in trouble. His vendetta against her is bad enough, but the fact that she finds Aiden outrageously attractive makes everything a million times worse!

Tash and Aiden clash immediately, but everyone knows that the line between love and hate is paper-thin. As the fireworks fly will Tash and Aiden spontaneously combust—or will Tash do the unthinkable and fall for her own worst enemy? After all, you should keep your friends close, but maybe your enemies the closest of all...!

### **Christin Natalia says**

Narasi novel ini sangat tidak enak dibaca. Ceritanya sendiri tidak terlalu buruk sebenarnya, tapi kurang diolah sehingga kurang menarik.

---

### **Ebehi says**

Yawn.

---

### **Dalia says**

A well written, very compelling read with some interesting twists. I liked the heroine Tash. she is a glass blower artist. she is strong and proactive. She has daddy issues but a sweet and strong bond with her mom. That's why grieving her mom's death, and after reading her diaries, Tash tries to contact her mom one and only love Nathaniel ( hero 's father). Little does she know she is reopening old wounds and families feud. Due to his parents dysfunctional marriage, the Hero Aiden is an emotionally crippled playboy who doesn't do relationships ( no surprise here ). And he refuses to fight his family for Tash. He is too passive for my liking. Leaving Tash to fight for them.

### **Shona says**

reading this in French...it could take me a while

---

### **Christopher Massikki says**

here i am agaiiiin...dgn buku lain dr Nikki Logan...seorang penulis yg bkin saya penasaran sm cerita nya hehehehe..

sbelum nya aku udah baca buku nya yg how to get over your ex,buku itu tdak mninggalkan kesan luar biasa bagi saya tetapi buku yg satu ini..ckup berkesan :D

stidak nya ap yg kurang d buku sbelumnya terpenuhi d buku ini...plot cerita d buku ini mnarik,mlibatkan perseteruan keluarga...mksud saya perseteruan antara keluarga Moore dan keluarga Porter,kmudian stelah 20 thun berlalu Natasha Sinclair yakni anak dr seorang Porter mmbaca diari ibunya yg mnjalin hbungan dgn keluarga Moore,Natasha merasa ad yg ganjil dr diari ibunya tersebut shingga ia myelediki nya dan mndapatkan sesuatu yg mngejutkan...saya juga ckup mnikmati dialog dialog yg cerdas d buku ini krn smakin

mnambah smangat saya untuk mnyelesaikan buku ini...hehehe

★★★★ Nikki Logan ★★★★

**HÜLYA says**

Oldukça güzel bir hikayedi...

---

**Veronica says**

Meh. Wasn't really in to the backstory but wasn't until Tash believed Nathaniel was her father that I lost interest. I finished it but won't read again.

---

**Amanda says**

Dnf at 30%. I couldn't get passed the premise. It was too dumb.

---

**Luisa B. says**

En general me gustó aunque se me hizo muyyyy cursi. Para un rato está bien...

---

**Esra says**

Eveett biri daha gitti :) Yaln?z cam üfleme sanat?yla ilgili bir çok ?ey ö?rendim sayesinde.. Baz? ?eyleri do?ru çevireyim diye oturdum videolar?n? izledim. Ho? bir deneyim oldu :D Kitab? da be?endim.. ?lk defa hiçbir sevi?me sahnesi çevirmek zorunda kalmamak da baya garip ve ho? oldu.. Zira kendilerini okumay? sevsem de çevirmek i?kence olabiliyor :D

---

**Elliebit says**

In retrospect I should have given it 2.5 stars simply because it is not memorable and on thinking about it the title has barely anything to do with the book itself. There were some hot scenes (I think) and an ok development between protagonists but otherwise nothing quite worthy pf 4 stars. Hmm. Mustve ended on a high note. So lets say 3 instead of the original 4 I gave.

Review Posted on HarlequinJunkie.com

Natasha Sinclair didn't know a lot about the man mentioned in her mother's diaries, but she did recognise the tone of his voice when he left a message on her mum's phone. There was no mistaking it, he loved her. It's a shame that the woman who loved him back all her life would never get to hear it. [Read More](#)

### **CJ - It's only a Paper Moon says**

3.5

It was hard to get a good read on Aiden. For most of the book, he was a jerk and toward the end he became a decent person - only to have the book end. So, I needed more time to really see his 180. And believe in it.

However, I am becoming quite a fan of Ms. Logan even with all the Australian vernacular.

---

### **June says**

Wow! I really liked this book. Tash Sinclair has to meet the man her mother loved for more than twenty years. A man who married her friend. This also leads to meeting his son, Aiden Moore.

Though they come from two different worlds, and a long lasting family feud, they are able to work through tough times and finally forge a relationship of their own. There are some surprising twists and turns that really make the book a page-turned. Very good characters and situations.

---

### **Ada says**

Nikki Logan es una de las mejores para las historias con drama, ay, me encanto está... me acuesto tarde pero feliz, con un Aiden tan tozudo se requiere una mujer firme y que lleve el mando.
