On Thin Ice Nancy E. Krulik

Katie's On Thin Ice when an Olympic ice skater comes to town. When Katie turns into the skater during her performance, she really hits the ice—on her bottom, hard. Then when Katie figures out a way to fix this mess, the magic wind comes back and turns her into a famous snowboarder. But suddenly it's Katie who is Going Downhill! That's two snow shows she's ruined in one week. Katie's hilarious escapades in these two stories make this Super Special a perfect way to chase away the winter blues!

Trevor says

These are GREAT books, but only good for adults.

They are great for kids. They are like the Magic Tree House series, where it talks a lot about history or geography.
