## Savior D.N. Hoxa

*Power makes you blind*, they say. What a load of bullshit. Power didn't make me blind. It turned me into a monster.

Well, it turned me into a *bigger* monster.

Samayan, head of the Council supernaturals, asshole extraordinaire, has made it his life's mission to show me just how strong he has become. I'd lie if I say I'm not scared. And when the one thing that could help me defeat him disappears right from under my nose, I feel like a complete failure.

Running away from problems only to fall right into bigger ones is just the beginning. I'll either die a murderer, or live long enough to be a savior by the time all of this is over.

### **Jennifer says**

Pretty good series, I guess. It wasn't sit on the edge of my seat kind of story.

### **Jana Gundy says**

#### **Fantastic!**

I love this series and the conclusion is out of this world. Star evolves and brings the others along with her. Aaron and Star are so good at their relationship and it's a great dynamic.

### **Taryn Collie says**

#### **I absolutely loved this series.**

The only reason I didn't give it 5 stars, is because I would love to see the relationships develop a little more after the final battle.
