Spin Zara Cox

From the moment we met and I let him frisk me, I was captivated by Zachary Savage. He was the intense, insanely sexy and arrogant billionaire who believed he could have anything...and anyone. Despite my reservations, I fell for him.

And then the demons came.

We fought them together. He put an engagement ring on my finger.

I thought the road to our happy ever after would be smooth. I was wrong.

The demons merely took a vacation.

And now they're back...

SPIN is the final instalment to Zachary Savage and Bethany Green's bestselling story. It can be read as a standalone, but to fully appreciate their story, I recommend combining the reading experience with HIGH and HIGHER!

Warning: This story contains intense, erotically charged sex scenes involving two people who are crazy in love and crazier in lust. Adversity only heightens their emotions and proclivities. Proceed with care! For 18+ only.

Zac & Bethany

I love that two people overcame so much trauma and still hung on to loving each other. It touched on Zac's anxiety of feeling unworthy of the one woman who loves him u conditionally and on Bethany's fear of losing him after the tragedy that befell her. Beautiful ending to this story. Totally recommend the series.

As much as I liked High and Higher, I was a bit disappointed in this one. I don't feel that it was necessary to continue the story. I felt let down a bit. I do like Zara Cox's books, however, this was not one of them.

Love these stories...

The Indigo Lounge series have been great reads and each story has its own turmoil and secrets etc. I enjoyed revisiting where it all begin and seeing what happened next for Zach and Bethany, still some surprises up her sleeve for these two. My only gripe; I wish the proofreading was better because the odd mistake I can live with but sometimes words were out of place simply because the spell checker wouldn't see an issue but it was just the wrong word. Otherwise, loving Zara Cox.

Bethany and Zach are back and I love this couple so much!! It was a cute story of the trials and tribulations of their relationship. I could honestly say Zach is obsess with Bethany. He makes that very clear and even admits it, but wow on the possession. I thought it was ridiculous he was upset that Bethany's BFF was hugging her or touching her. I found that scene to be over the top and thought Zach may need to work on that possession thing, but it worked for his character. I wanted more of their married and children life, but I am greedy that way! Great job with this novella.

Loved as usual...

The IL series is one of my all time favorites. I was so excited when I saw another book about Zach and Bethany. Zach truly is the epitome of the alpha male. A no holds barred, ride or die, beat the living crap out

of your crazy neighbor, love you to the point of obsession alpha male. I just love him! A beautiful and sweet ending to an awesome, sexy, fantastic series. I'm sorry to see it end.

Another good read by Zara love her books so much the alphas are so alpha, must get onto read freefall.

Wow! Bethany is a freaking trooper! Zachary is an amazing man! I can't believe how much went on in less than 200 pages for them. I'm so happy for their happy ever after! They deserved it and each other. I can't believe how not one, but BOTH demons from Bethany's past came back at such a delicate time in her life. I'm not surprised about Zach and what he did -- he will always be possessive about and towards Beth. I'm so happy she became Mrs. Savage and even happier that they had some precious Savages too.

Definitely love this series and can't wait to read the rest of the books. Zara Cox is simply brilliant!

Spin by Zara Cox is the final chapter of Bethany and Zach, characters we met in High, Book One of the Indigo Lounge series and Zara has done it again! The story starts a couple of months after they were in Bora, Bora. Zach is still trying to get Bethany to commit to a date for the wedding and she is reluctant. Why would Bethany be so hesitant when he is handsome, rich and so into her that he is really her happily ever after? The reason.....she is waiting for the "other shoe to drop" and boy does it!

Zach and Bethany still have trials to go through before they get their HEA. To have continuity of their relationship, characters from the series show up in this novella.

I hated to say goodbye to Bethany and Zach!

Spin is one of my biggest book hangovers ever!

And so we come to the conclusion of the stunning love story between the very irresistible and sexy Zachary Savage and the love of his life Bethany Green.

The intensity between these characters I love to pieces is breathtaking, their emotional connection closely rivalled only by their physical one. They are desperate to stay together and constantly afraid of losing one

another. This is one of the most powerful, passionate, intense, addictive, all-consuming love stories that I know of.

A new Zara Cox novel is like a special gift in my eyes. She is one of those rare authors whose books I devour the moment they are released.

I devoured the pages, the hungry romantic in me greedy for more and more as the story progressed, and I was given all I could have hoped for.

As always, Zara Cox managed to touch the deepest recesses of my heart, delivering an another extraordinary story that stole my breath away and hold me spellbound from start to finish.

The Indigo Lounge series is one of my own personal kryptonite and I'm irrevocably in love with this author. I cannot recommend it highly enough.

The final story for hot sexy in love couple Zach & Bethany is an amazing adventure. The Indigo Lounge Series has kept me captivated with some of the hottest couples I've ever read.

In the final installment for this couple we follow their arrangements for the wedding of the year....when Zachery Savage finally gets his beautiful Bethany to walk down the aisle. Yet, this story also has some very horrible turbulent events before we get to the I Dos. I was caught off guard by some of the happenings of this story that had me on the edge of my seat ad reading late into the night to get to the end.

....and what an end it was.....it brought tears to my eyes the utter deep love and devotion Zach & Bethany have for each other. I really loved reading the Indigo Lounge stories and look forward to re-reading them to re-live the love and excitement....thanks Zara Cox for a great ride!

I have no words to describe my love for Zach and Bethany! This book made my laugh and cry, as a reader you can feel the love between these two characters and it is beautiful! I will miss these two so much but I am very happy with the way the series concluded. Zara created a vivid world with the indigo lounge that leaves your wanting more. I recommend everyone to read this series, you won't be disappointed, but you will need a few cold showers!

Charmaine Walker says

OMG - What a fantastic follow up/ending to Zachary and Bethanys story. Absolutely loved it.

They love each other with a passion that is so strong, its really intense.

Marriage.. that should be the next step, but what is holding Bethany back.? A hidden danger comes back but can Beth face it. All the drama, secrets, hopes and dreams plus the SEX, laughter and ending make this one heck of a story.

This is a story , a love story, where you can say " the hero will do anything to protect his one true love"
Brilliant writing Zara.

This dragged on and on and was so damn cheesy. I could barely finish it ???

Angela says

This is about my fifth time reading this incredible series. One of my all-time favourites. LOVE. LOVE. LOVE!!! Zara Cox is on my must read list and is one of my favourite authors.... One thing I have learned over the years reading her books is that she certainly know how to write/tell a compelling story- full of interesting characters, and some red hot sizzle. If you haven't read any of her books before, what are you waiting for! But, be prepared, because one book will never be enough. This is addictive reading!!
