## Tyburn Kevin John Grote

TYBURN whisks you through the sounds, smells, and tastes of 18th century England. Enter the country inns, brothels, abbeys, prize rings, gaming dens, theaters, and coffee houses. Whores, thugs, boxers, gamblers, actors, publicans, outlaws, and clergy tell the story. Stand amidst the crowds on Hanging Day in London. Time runs out. At TYBURN, Jack Ketch, the hangman, awaits.

### **Debbie Carnes says**

Being a lover of history and living in England for years, I really enjoyed this book.

Mr Grote makes you feel like you are a part of the story.

I look forward to reading more books by Mr Grote.

I can't praise this book up enough, I just loved it, the charactures, the story.....I could almost imagine I was actually there! The research done for this book is fantastic, brings back the atmosphere so well of times gone by. I will certainly be reading more of Mr. Grote's books. A well deserved five star rating. Brilliant read!

Dreadful job of editing. I realize that you get what you pay for, and this was free, but it really makes me angry.
