## **TEMPTED BY THE PACK**

For Rafer Breaux, life in the Louisiana Bayou is harsh, violent—and deeply sensual. The Cajun werewolf lives for his Pack and he'll do whatever it takes to keep his brothers safe. The longer a wolf lives without his fated mate, the harder it becomes for that wolf to shift back. To remember that he is a man—and not a monster. And those mates can only be found during a blue moon. When a blue moon finally rises, Rafer will need every weapon in his sensual arsenal to tempt one special woman into his arms and the heart of the Pack.

Fighting to keep her family farm, Lark Andrews isn't looking for love. Even if the very sexy Breaux brothers make her dream of hot bayou nights spent in their arms. When the blue moon leads Rafer to her door, however, Rafer has her rethinking her position on all work and no play. Now, the bayou nights are heating up as Rafer fights to convince her, one sensual touch at a time, to give love and passion a chance. But Rafer isn't a one wolf deal. Is there room in Lark's heart—and bed—for Rafer and his Pack?

## **WOLF'S HEART**

To keep the peace between two rival wolf packs, Cajun werewolf Jace Jones agrees to become the alpha of The Breed pack and motorcycle club. There's just one catch: he needs to mate the former alpha's daughter and he's damned certain she hasn't chosen him. His new mate is sweet and sexy as sin, but she's also been brutalized by the pack and the last thing she needs is one more wolf in her life. But before he can take his place as leader of the Breed, he'll have to teach his woman her place... in the club, in his arms, and in his heart.

## **AT THE VIKING'S COMMAND**

Tyra didn't ask to be turned into a werewolf. She also didn't want to fall in love with a Berserker.

All she wants is to get on with her life. But a prophecy foretells that the werewolves will bring about the end of the world, so now the entire paranormal world is gunning for her new Pack.

A mercenary and soldier of fortune, Calder clawed his way to the top of the modern Viking world and he'll defend his brothers-in-arms to the last breath. But nothing prepared him for his reaction to the newly turned werewolf who shows up and demands his help.

There's no denying the intense sexual chemistry between them--a bond forged before they faced this danger—and soon the lines between duty and pleasure blur. But if Tyra wants to keep her Viking, first she'll have to learn the sweet pleasures of submission...

Loved reading all three books. But must say my favorite was the last book. That doesn't mean skip right to it. You'll enjoy all three.

2.5 rounded up to a 3

Each are ok reads but nothing stood out and I don't know I'd be reading any other books in these series unless I found them as freebie reads.

### **Roberta says**

This was the first time I read a book from this author, and I am not sure that this is quite my cup of tea. The first book was really not what I usually read, the others were alright.

#### **Hotness in a book**

All three stories are great. Love, hate and wolves and bears. Holy hotness. The best part is the rest of the stories.

#### **This is a free ARC review**

I choose this rating because the three books are a great read , each couple have there own problems but come together to fight

for a good reason . Between a werewolf and human then a two werewolf's and last a viking bear and werewolf each mated pair

have problems from someone causing trouble until they are taken care of .
